10-10 第1篇

阅读理解（应用文） Lihua Middle School — "Every Wall Tells a Story" Mural Project 2027

Lihua Middle School · Art Department + School Office
Campus Mural Project: "Every Wall Tells a Story"
A school-wide call for student painters, writers and photographers

Some of our school's outdoor walls are **tired, grey, and forgotten**. This autumn, we are going to change six of them. The Art Department is opening a campus-wide project to let students paint, write and photograph **six large murals** that tell the story of Lihua Middle School — from its first day in 1957 to its future.

🖼️ The Six Walls

Wall No.	Location	Theme
1	Gate of the Main Building	"Our School, 70 Years Old" — key moments 1957 → 2027
2	Outside the Canteen	"Hands that Feed Us" — cooks, farmers, delivery uncles
3	Back of the Library	"Reading Is a Small Journey" — books and travellers
4	East wall, Playground	"We Run, We Grow" — sport, courage, teamwork
5	Outside Music Room	"Every Song Is a Friend" — songs from 70 years
6	Near Bicycle Shed	"The Blue River Behind Our School" — local nature

---

📅 Project Timeline

- **Now — 20 Oct**: Sign-up and team-forming. Each wall needs one small team (2 — 5 students).
- **21 — 30 Oct**: Teams submit a **paper sketch** (A3 size, colour-pencil ok) **plus** a **120-word English caption**.
- **1 — 5 Nov**: Teachers + three senior students review and choose **six winning teams** (one for each wall).

- **8 — 22 Nov** (weekend afternoons, 14:00 — 17:00): painting on the walls, with tools from the Art Room.
- **Sun, 23 Nov, 15:00**: opening ceremony; parents and alumni are warmly invited.

🎒 What Every Team Must Include

1. **At least one Grade 7 student.** (So every wall passes its story on to younger members.)
2. **At least one student who cannot draw well.** The writing and photo parts are just as important.
3. **One short interview.** Before painting, talk to **one teacher, cook, cleaner, or security guard** who has worked at our school for at least five years. Include one sentence from that interview in your caption.

🎨 Rules and Materials

- Paint, brushes, cloth, ladders and safety helmets are provided by the school.
- All paint is **water-based**, so clothes can be washed. Please still wear old clothes.
- **No pictures of political leaders, no brand logos, no hurtful cartoons of individuals.** Any such design will be removed before painting begins.
- **AI-generated drafts are welcome at the sketch stage**, but the final paint on the wall must be done by student hands, not by tracing a computer print-out.

❓ Help and Contact

- **Ms. Tan**, Art Room 206, Mon—Fri lunch break.
- **Mr. Deng**, School History Club, after school Wed & Fri, Room 315 — ask for old photos of our school.
- **"Climbing-up" rule:** teams must have **at least one adult helper present** every time a ladder is used; never climb alone.

One grey wall. Five good friends. A small story the next 70 years of students will walk past. Join us.

根据通知内容，选择最佳答案。

1. How many walls will be painted in this project?

A. Four
B. Five
C. Six
D. Ten

2. Which of the following is a rule for every team?

A. The team must have only Grade 9 students.
B. The team must include at least one Grade 7 student and at least one student who cannot draw well.
C. The team must have exactly 10 members.
D. Only girls can join the team.

3. What should the short interview (in "What Every Team Must Include") focus on?

A. A famous painter outside the school.
B. A teacher, cook, cleaner or security guard who has worked at the school for at least five years.
C. Any student from another school.
D. A TV star in the city.

4. Which of the following is NOT allowed in the design?

A. A friendly cartoon of a book travelling in a hot-air balloon.
B. A big painting of the local river with fish and children.
C. A drawing that includes a well-known brand logo of a sports company.
D. A colourful song pattern based on school choir songs.

5. What is the school's rule about AI?

A. AI is banned completely from every stage of the project.
B. The final painting on the wall can be done by simply tracing an AI-printed picture.
C. AI-generated drafts are welcome at the sketch stage, but the final wall painting must be done by student hands, not by tracing a computer print-out.
D. Only AI, not students, can design the murals.

答案与解析

1.
【答案】C
【题型】细节理解题

【定位】表格列出 6 面墙 "Wall 1–6"
【解析】6 面。A、B 少、D 多。故选 C。

2.
【答案】B
【题型】细节理解题
【定位】What Every Team Must Include 第 1、2 条 "At least one Grade 7 student ... at least one student who cannot draw well."
【解析】两项组队要求。A、C、D 均无依据或与原文相反。故选 B。

3.
【答案】B
【题型】细节理解题
【定位】第 3 条 "talk to one teacher, cook, cleaner, or security guard who has worked at our school for at least five years"
【解析】采访校内老员工。A、C、D 均不符。故选 B。

4.
【答案】C
【题型】推理判断题
【定位】Rules and Materials "No pictures of political leaders, no brand logos, no hurtful cartoons ..."
【解析】品牌标识不被允许。A、B、D 均符合主题、无禁止条款。故选 C。

5.
【答案】C
【题型】细节理解题
【定位】Rules and Materials "AI-generated drafts are welcome at the sketch stage, but the final paint ... must be done by student hands, not by tracing a computer print-out."
【解析】AI 可用于草图，不可描摹上墙。A、B、D 均不符。故选 C。
