Riverside Park + Children's Hope Hospital
Autumn Leaves Charity Walk 2027 — "Every Step Counts"
Sunday, 26 October 2027 · 8:30 – 12:00

Walk a few kilometres through golden autumn leaves, and turn **each step you take** into help for a child at Children's Hope Hospital. Everyone — families, schools, office teams — is warmly invited.

🍂 Two Routes

Route	Distance	Best for	Start time
Family Route	**3 km** (around the lake)	Children aged 5+ and their parents	**9:00**
Classic Route	**7 km** (lake + maple forest trail)	Students aged 10+ and adults	**9:30**

Both routes finish at the **Sunrise Plaza** (north gate of the park), where music, tea, hot corn and a small handicraft market are waiting.

💰 How the Walk Raises Money

1. **Registration fee**: 40 yuan (adult), 20 yuan (student). All fees go to the hospital.
2. **Each step counts sponsor**: before the walk, you ask friends or family to **sponsor** your walk at **0.05 yuan per step** (or any amount they like).
3. At the finish line, a small sensor on your shoe number reads the total steps; the hospital will post the grand total on **Monday 27 Oct** on its website.

   Target for 2027: one million yuan for 80 new sets of child-sized medical beds.

📝 How to Join

- **Online**: open the WeChat mini-app "Riverside Park", tap "Autumn Walk 2027", fill in name, age, ID number, emergency contact.
- **In person**: at the park's **Visitor Centre, Mon — Fri, 10:00 — 17:00**.
- **Closing date**: **Friday 24 October, 17:00**. No on-the-day registration this year.
- **Free shoe-number and T-shirt** given out at registration. Please collect them before the walk day at the Visitor Centre.

👟 Before the Walk

- Wear **comfortable shoes**, **warm but light clothes**, and bring a water bottle.
- Children under 10 must walk with an adult on the Family Route; parents are responsible for their own children throughout.
- The park will open **free bag storage** at the main gate from 7:30.

🚑 Safety & Support

- Nine medical teams will be placed along the two routes; each team has a nurse and a doctor from the hospital.
- If you need help during the walk, find the **bright yellow "Help" flags** every 500 metres.
- The walk will continue in light rain. If there is a **storm warning**, the event moves to **Sunday 2 November**, and we will send WeChat messages before 18:00 on 25 October.

🎁 Thank-You Gifts

All finishers receive:

- A hand-pressed maple-leaf bookmark made by hospital children.
- A digital certificate with your step count and the yuan you raised.
- First 500 finishers: a small paper bag of roasted autumn chestnuts (100 g).

Every step you take matches a small step we hope a sick child will take. See you in the yellow leaves.
