2027 Winter Uniform-Swap & Donation Week
Your old uniform can still keep someone warm.

Every year, hundreds of our students grow **two or three centimetres** between September and February. Many autumn and winter uniforms are still almost new — clean, with a zip in good order — but too short at the wrist or too tight at the shoulder. They sit, folded, at the bottom of family cupboards. From **Monday 9 November to Saturday 14 November 2027**, our school will run a simple plan so that these clean uniforms find a second life.

👕 Two Ways You Can Help

(1) Swap — Give a uniform you have outgrown, and take one that fits, **at no cost**.
(2) Donate — Give a uniform or a warm coat that you no longer need, so that it can travel to our partner village schools in Gansu this December.

You may do **one** or **both**.

📅 Where and When

Day	Time	Place	Focus
Mon 9 Nov	16:00 – 17:30	Small hall (east wing)	Dropping off: winter jackets, padded trousers.
Tue 10 Nov	16:00 – 17:30	Small hall	Dropping off: sports uniforms, fleece.
Wed 11 Nov	16:00 – 17:30	Small hall	**Swap counter** opens (first half-hour for Grade 7).
Thu 12 Nov	12:30 – 13:30 + 16:00 – 17:30	Small hall	Swap counter full-open; gentle ironing service.

Fri 13 Nov	16:00 — 17:00	Small hall	Last swap day; parents welcome to help sort.
Sat 14 Nov	09:00 — 11:00	School gate	Loading day for Gansu delivery. Volunteers please sign up.

📝 Simple Rules for Donated Items

- Clean at home first. Our school washing machines cannot handle a full week's drop-offs.
- Zips, buttons, knees in good order. No very large holes; a small, well-mended hole is fine.
- **No underwear, no socks, no shoes**, for hygiene reasons.
- For donation (not swap), remove name tags if possible — our partners prefer anonymous gifts.

🏷️ How the Swap Counter Works

- Each donated uniform earns you a **small ticket** (one item, one ticket).
- You may take **up to three uniform pieces** using your tickets, as long as sizes fit.
- **Tall students and very short students** can ask the Student Union office for help; we keep a small "special sizes" box behind the counter.
- If a uniform does not suit any of our students in November, it will be quietly moved into the Gansu donation pile in early December.

🤝 Who Can Volunteer?

- **Folders (10 students a day)** — learn to quickly fold jackets the "airline way".
- **Checkers (4 students a day)** — check zips, buttons and cleanness with a kind attitude.
- **Carriers (8 students on Saturday morning)** — move boxes to the delivery van. Need the form-teacher's signed agreement.
- **Writers (5 students)** — prepare a short Chinese-English label for each Gansu box ("winter jackets, size M, 12 pieces"). Good English writing practice!

Sign up at the Student Union office, Room 218, before **Friday 6 November, 17:00**.

💡 Small Reminders

- Come **in your own clothes** on drop-off day; you will be moving, folding, and smiling a lot.

- Bring a small **reusable bag** to carry your swapped items home.
- All activities are completely free. We do not sell anything and do not accept money in the hall.
- If you prefer to **donate quietly**, write "ANON" on the label. No one will ask.

📖 One Story from Last Year

> "Last winter we sent 412 clean uniforms to two partner schools in Gansu. On a Thursday in January, a Grade 8 girl named Xiaoqing wrote to us: '**Thank you for the blue coat. The pocket on the right side still smells a little like oranges. I do not know who this coat belonged to, but she must have been a kind reader.**' The orange smell was from the last owner's schoolbag, during the school fruit week in October. It stayed in the coat all the way to Gansu."
> — *Student Union Record, 2026*

*The most important uniform is the one that keeps **two** students warm — first you, then someone you will never meet.*
