阅读理解（应用文） Young Guides Wanted: School History Room Open Week

Lihua Middle School · History & Civics Department + Alumni Office
2027 School History Room — Open Week for Grade 7 Families
"Who walked these corridors before us?"

Our School History Room, on the third floor of the old red building, keeps more than **five hundred objects** from Lihua Middle School's seventy-two years: an old blackboard dusted with real chalk from 1961, a set of pencils used by the first female headteacher, a hand-sewn school flag from 1979, a glass jar of autumn leaves picked by the Class of 1988, and many more. From **Monday 23 November to Saturday 28 November 2027**, we will open the History Room for an **Open Week** and welcome Grade 7 students and their parents inside. Because the room is small and quiet, we need **young student guides**.

📜 Why We Need Young Guides

An alumni from the Class of 1975 once told us, "*A museum without a young voice is just a cold shelf.*" We agree. A ten-minute tour by a **Grade 8 or Grade 9 student** — someone who has grown up in these same corridors — will make every small object feel close and warm. This year, we would like **16 guides** to work in short shifts across the week.

📝 Dates and Shifts

Day	Opening Hours	Shifts	Language
Mon 23 Nov	16:00 – 17:30	Two 45-minute tours	Chinese
Tue 24 Nov	16:00 – 17:30	Two 45-minute tours	Chinese
Wed 25 Nov	16:00 – 17:30	Two 45-minute tours	Chinese + a **short English section** on the old school badge
Thu 26 Nov	12:45 – 13:30	One 30-minute tour	Chinese

Fri 27 Nov	16:00 — 17:30	Two 45-minute tours	Chinese
Sat 28 Nov	09:00 — 11:30	Three 40-minute tours	**All in English** (guided by the English Club)

Each guide will work **one or two shifts** in the week. Tea and warm water will be ready behind the third counter; warm coats can be hung on the tall wooden tree by the door.

✅ Who Can Apply

- Any Grade 8 or Grade 9 student who:
  - Feels calm in front of a small group (about 8 people);
  - Can keep her voice **gentle, clear, and not too fast**;
  - Has average or better scores in Chinese; Saturday English-only guides need a teacher's recommendation.
- Students who have a family member who once studied at Lihua are especially welcome — **tell us in the application**, as we may invite you to present the object connected with your family.

📝 How to Apply

1. Write a short letter (150—200 Chinese characters), telling us:
   - Which shift you prefer;
   - Which **one object** from the room you would most like to explain, and why;
   - One short question you would like to ask the visitors at the end of your tour.
2. Drop the letter in the **red wooden box** outside the History & Civics teachers' office, **Room 307**, by **Sunday 9 November, 18:00**.
3. Short practice sessions: **Wed 12 Nov and Sat 15 Nov, 15:00 — 16:30**, in the History Room.

🎒 What Guides Will Learn

- How to **stand** (feet shoulder-wide, weight on the heel, hands relaxed).
- How to **lead a group of eight** quietly through narrow spaces.
- How to **invite questions** from shy visitors without putting them on the spot.
- How to **close a tour** with one short, warm sentence — not a long speech.
- Saturday guides will also practise **five simple English phrases** about the objects, such as *"This badge was sewn in 1955 by a retired Chinese teacher called Ms. Wang."*

🚫 A Few Quiet Rules

- No touching objects with bare hands. White cotton gloves are available by the door.
- No phones in the room for the visitors (please politely remind them at the start).
- Guides may use a small printed card, but **no reading long scripts aloud**; we want a real, young voice, not a speaker on a phone.
- Please arrive **ten minutes early** for each shift. The room, by rule, is kept at exactly 18 °C and 55 % humidity.

🎁 A Small Thank-You

- Every guide receives a **handwritten thank-you letter** from our Alumni Office and a **one-year free pass** to the school library's alumni section.
- At the end of the week, all guides are invited to a quiet Saturday-evening tea with two alumni from the Class of 1968 and the Class of 2003, who will share short memories of Lihua and answer our questions.

  "When you stand beside an old object and speak kindly about it, you are not teaching history. You are **borrowing** a quiet minute from the past and giving it to someone who was born long after. Our school is seventy-two years old. We can never hold all of her memories. But we can **pass** a few of them — carefully, warmly — from one young voice to the next."
