Parents' Open Day 2027 — "One Whole School Day, Through Your Child's Eyes"
Saturday 5 December 2027, 07:40 – 16:30

Twice a year, Lihua opens its gates to families for a full school day: parents do not just visit, they **become students for one day**. They sit in the classroom from 07:40 to 16:30, eat school lunch, walk to the lab and the library, and watch — gently — how their child spends 27 hours every week between blue walls and warm corridors. The Saturday Open Day in December is the **larger** of the two; this letter is to invite all parents and one chosen family member of every Lihua student.

📅 The One-Day Timetable

Time	What Happens	Where
07:40 – 07:55	Morning sign-in, name tags, warm tea	Main Lobby
08:00 – 08:30	Whole-school flag-raising and short speech by the headmaster	Playground
08:35 – 11:50	**Four normal lessons** with your child's class	Each child's classroom
11:55 – 12:35	Lunch with students in the **dining hall** (free)	Dining Hall A or B
12:40 – 13:25	Short rest + library visit (optional)	Library Floors 2–3
13:30 – 16:00	**Three afternoon lessons + one short club activity**	Each child's classroom + club rooms
16:05 – 16:30	**Parent–Teacher Tea Talk**, three short rounds (15 min each)	Form classroom

Please plan to **stay for the whole day** if possible. A whole school day is the only honest way to feel a school's rhythm.

🎒 What to Bring / How to Dress

- **One photo ID** (for sign-in and the lunch hall).
- A **small bag** with a notebook and pen — many parents like to take notes during their child's class.
- A **water bottle** (no disposable cups in the school).
- Clothes that are **clean, warm, and quiet** — no loud high-heeled shoes in the corridors during lessons.
- We kindly ask you to **leave your phones on silent** during all lessons, and to step outside the classroom to take any work calls.

🚫 Three Things We Cannot Do on Open Day

1. **No filming or photographing** any student in the classroom (you may photograph your own child only, in the corridor and during breaks).
2. **No correcting** other students' answers, even if you are sure of the right one. Let the lesson belong to the teacher.
3. **No gifts** for any teacher today. The Open Day must remain free of any tradition that might feel uneven.

🍱 About Lunch

Lunch is **free for all visiting parents** today, paid for by the Parents' Committee. The menu is the same as a normal student day:

- **Dining Hall A**: rice + two warm dishes + one soup + one fruit.
- **Dining Hall B**: noodles or buns + one warm dish + one soup.

A small **vegetarian table** is set near the south door. If your family has a serious food allergy, please write a short note when you sign in.

📚 Library and Lab Visits (Optional)

Between 12:40 and 13:25, parents may visit:

- **Library Floor 2** — books your child has borrowed this term (your child's record will be **printed and waiting** with your name tag).
- **Library Floor 3** — quiet reading and a small "Family Reading Wall" where parents may write a short book recommendation for the school library.
- **Lab Building, Room 305** — a small live demonstration by Grade 9 students of the new "**rain-water collection**" project, which the city Science Bureau supported in

October.

🗣️ The Parent–Teacher Tea Talk (16:05 – 16:30)

Three short rounds, **15 minutes each**, with three of your child's teachers:

- The **form teacher** (15 min in the form classroom).
- One **subject teacher** chosen by you in advance (10 min in their office).
- One **club / PE teacher** chosen by your child (5 min in the corridor).

To choose your subject teacher, please reply on the school mini-app → Open Day → "Choose Subject Teacher" by **Wed 26 November, 17:30**.

🤝 How Children Should Help

We kindly remind every Lihua student to:

- Walk on the **right side** of the corridor between lessons; let parents follow easily.
- **Greet** any parent you do not know with a soft hello and a small smile.
- **Look after** any visitor in your row at lunch; pass the soup bowl, point to the napkin shelf.
- Treat the day as a normal school day. **Do not perform a different child** because your parent is at the back of the room. Be yourself; that is the child your parent has come to meet.

🙋‍♀️ Volunteers Wanted (52 students)

- **20 lobby helpers** (07:30–08:30, hand out name tags and tea).
- **12 corridor guides** during the morning lessons.
- **8 dining-hall greeters** at lunch.
- **6 library guides** between 12:40 and 13:25.
- **6 short-talk timekeepers** for the Tea Talk.

Sign-up form: outside Room 110 or on the school mini-app → Services → Open Day.
Deadline: Wed 26 November, 17:30.

> "Open Day is not a show. It is a quiet day on which a school becomes briefly **transparent**, and a family briefly **bigger**. The classroom is still the classroom; the lunch is still rice and warm soup; the corridor is still long. What is new is only this — your child looks up from her desk, sees you, smiles a small private smile, and goes back to her question. That small private smile, and the trust

behind it, is the whole reason we open the gates this Saturday."
