阅读理解（应用文） Lihua Middle School Uniform Warm-Winter Drive 2027

Lihua Middle School · Student Union + Red Cross Club
Uniform Warm-Winter Drive 2027 — *"A Uniform You Grew Out of Can Keep Another Child Warm."*
Collection Period: Mon 14 Dec — Fri 18 Dec 2027
Venue: Main Hallway, Block A, Ground Floor (next to the Thank-You Wall) + Class-level collection boxes

---

Every December, many students grow out of last year's uniforms. Sweaters that no longer close at the chest, jackets whose sleeves are two-finger-widths short, winter trousers that suddenly stop at the ankle. These clothes are not broken; they are simply too small for us now. They are, however, still **warm, clean, and strong** — and in the mountain primary school at **Guishan County (500 km north of our city)**, where our volunteer teachers have been partnered with for three years, there are children whose families cannot easily buy a new winter uniform. This December, we invite the whole Lihua community to bring any uniforms in good condition and donate them **gently, anonymously, and without pressure** to the Warm-Winter Drive.

🕒 Collection Hours

Time slot	Day	Place
07:30 — 07:55	Mon — Fri	Class collection boxes
12:00 — 13:15	Mon — Fri	Main Hallway (Red Cross Club desk)
16:10 — 17:30	Mon — Thu	Main Hallway (Red Cross Club desk)
16:10 — 18:00	Fri	**Final drop-off window**

- **Anyone** can donate: students, teachers, staff, parents, even grandparents.
- **All drop-offs are anonymous** unless the donor chooses otherwise.
- **One small kraft-paper card** is available at every desk so donors may, if they wish, write **one warm sentence** to slip inside a pocket of the donated clothes. Example: *"This jacket kept me warm in Grade 7. I hope it keeps you warm too."*

✅ What We Can Accept

- **Winter uniforms**: jackets, trousers, thick sweaters, long-sleeve shirts, thermal underlayers, school-issued hats, scarves, gloves.
- **Normal winter shoes** (cleaned, dry, laces tied in pairs).
- **Unused thermal socks** (in sealed original packaging only).
- **Light-weight down / padded coats** in good condition (no cigarette smell, no mould, no tears).
- **Clothing must be clean and dry**. Please wash at home and fold neatly in a cloth or paper bag.

❌ What We CANNOT Accept

- **Underwear** (new or used), **used socks**, **used thermal base-layers** (hygiene).
- **Clothes with tears longer than 5 cm, strong smells, mould, or visible stains**.
- **Summer clothes** (this is a winter drive).
- **Formal wear, dresses, high heels, fashion items** that are not suitable for primary-school children in a cold mountain village.
- **Cash or vouchers**. This is not a money drive. If you wish to donate money, the school recommends the official county education charity.

📏 Size Guide (Please read before packing)

Size	Approximate age	Current Lihua student equivalent
XXS / 110—120 cm	5—7 years	Very small primary-school pupils
XS / 120—130 cm	7—9 years	Small
S / 130—140 cm	9—11 years	Medium primary
M / 140—150 cm	11—13 years	Large primary / small Grade 7
L / 150—160 cm	13—15 years	Our Grade 7—8 size
XL+	15+ years	Grade 9 and above

- **Sizes XXS — M** are most needed this year.
- **L and XL** are welcome, but the county has reported **less demand** at those sizes (their senior grades have the support of the county budget).

🌡️ Four Small Preparation Steps at Home

1. **Wash** with normal detergent. If the label allows, run an extra rinse — detergent residue can irritate children's skin.
2. **Dry completely** (indoor drying in heating season takes 24—36 h).
3. **Check pockets**. Return any student ID cards, pens, or pocket money to the owner.

4. **Fold neatly** and pack in a **cloth bag** (not a plastic one if possible). Label with a small note: **size, gender (optional), season**.

📦 What Happens After Drop-Off

1. **Sorting**: Red Cross Club volunteers check each item for cleanliness and size on **Sat 19 Dec, 09:00 — 17:00**. Items failing the check are returned (anonymously) to the "Repair Corner" next Monday, where the school sewing-machine club fixes small issues in three weeks.
2. **Packing**: Accepted items are packed by size into labelled boxes.
3. **Delivery**: Boxes are shipped to Guishan County Central Primary School by a partner logistics company **free of charge** (they have supported this drive for 3 years).
4. **Arrival photos**: With permission of the partner school, photos of the boxes arriving (with children's **faces blurred**) will be posted on the school mini-app on the **first week of January 2028**.

🤝 Last Year's Numbers (2026 Drive)

- **1,138 items** collected across 5 days.
- **89%** passed the sort; **11%** went to the Repair Corner; **all** eventually arrived.
- **62 pocket-messages** were slipped into clothes pockets; **44 short thank-you notes** came back by post in February 2027.
- **Total shipping distance**: 502 km. **Total weight**: 214 kg.

🙋‍♀️ Volunteer Roles (32 students)

- 10 **Class-collection-box stewards** (Mon — Fri mornings).
- 8 **Hallway-desk hosts** (lunch and after-school).
- 8 **Sorting-day volunteers** (Sat 19 Dec, 09:00—17:00).
- 4 **Pocket-card writers** for shy donors who ask for help with their one sentence.
- 2 **Mini-app photo archivists** for next-January's quiet update.

Sign-up via the school mini-app → Red Cross Club → Warm-Winter Drive. **Closing: Thu 10 December, 17:30.**

❗ Important Quiet Rules

- **No photographs of donors at the drop-off desk**. Donation is a private act.
- **No class-level ranking** of how many items each class collected. We do not compete in kindness.

- **No public thanks to specific donors**. A general sentence of thanks will be written on the wall at the end of the drive.
- **Donors who bring family clothes** should make sure the owner (mother, older brother) has agreed.
- **Teachers will also donate** — in 2026, Mr Shen donated his old PE windbreaker.

💬 A Small Word from the School Red Cross Club

> "A uniform that a fifteen-year-old no longer fits is, in a different pair of hands, still warm, still strong, and still beautiful. Somewhere five hundred kilometres north, a nine-year-old will, in February, stand slightly taller inside it, perhaps noticing the small paper card in the pocket that says: *'This jacket kept me warm in Grade 7. I hope it keeps you warm too.'* That small piece of kept warmth is the real thing we are trying to pass on this December. **Thank you for your gently folded clothes. Thank you for your quiet hands.**"

1. What is the Uniform Warm-Winter Drive 2027?

A. A fashion show at school.
B. A school sale where students sell old uniforms.
C. A collection of good-condition winter uniforms and related warm clothes (Mon 14 — Fri 18 Dec), donated gently and anonymously by students, teachers, staff, parents, or grandparents, to be delivered to Guishan County Central Primary School 500 km north.
D. A teacher training programme.

2. Which of the following items CANNOT be accepted by the drive?

A. A clean, dry school jacket in size M, with tied laces on donated shoes.
B. Used underwear, used socks and used thermal base-layers; or clothes with tears longer than 5 cm, strong smells, mould or visible stains; or summer clothes; or cash and vouchers.
C. A thick school sweater that was washed and folded in a cloth bag.
D. Unused thermal socks in sealed original packaging.

3. According to the size guide, which sizes are most needed this year?

A. Only XL and above.
B. Only S and M.
C. Sizes XXS to M (roughly ages 5—13); L and XL are welcome but the county has reported less demand at those sizes, because its senior grades have the support of the county budget.
D. Only XXS.

4. What happens on Saturday 19 December?

A. The school bus takes children to Guishan County.
B. Red Cross Club volunteers sort items from 09:00 — 17:00; items failing the check are returned (anonymously) to the Repair Corner next Monday where the school sewing-machine club fixes small issues in three weeks; accepted items are packed by size into labelled boxes and shipped to Guishan County Central Primary School free of charge by a partner logistics company that has supported the drive for three years.
C. The school closes for the year.
D. Donors receive a certificate.

5. What is the main message of the Red Cross Club's closing word?

A. New uniforms should be sold at a discount.
B. A uniform that a fifteen-year-old no longer fits is, in different hands, still warm, still strong, still beautiful; somewhere five hundred kilometres north, a nine-year-old will in February stand slightly taller in it, perhaps finding the small paper card in the pocket — that small piece of "kept warmth" is the real thing the drive tries to pass on; the club thanks donors for their gently folded clothes and quiet hands.
C. Only the richest families should donate.
D. Students should keep all their old clothes.
