12-11 第2篇

阅读理解（应用文） Lihua Middle School Winter Morning-Light Run 2027

Lihua Middle School · PE Department + Student Health Club
Winter Morning-Light Run 2027 — *"Run Gently Into the Short December Sunrise."*
Dates: Mon 14 Dec 2027 — Fri 15 Jan 2028 (five weeks, Mon — Fri)
Time: 07:05 — 07:35 each weekday morning (30 minutes, before breakfast)
Venue: Lihua 400-m outdoor running track + inside ring road on heavy-smog days

---

The sun rises this month between **07:24 and 07:29** in our city. This is a short, beautiful window in which the sky turns pink, then orange, then a pale clean winter blue. Our new Morning-Light Run is a **gentle, non-competitive, optional** 30-minute activity for Grades 7—9 students who want to start the school day with warm muscles, open eyes, and a real live sky above them. There is no time-trial, no ranking, no speed requirement. You come. You run or walk. You see the sun. You go to breakfast.

🕒 Daily Schedule (typical morning)

Time	What	Where
07:00 — 07:05	Sign-in at the track gate with your school ID	Track gate
07:05 — 07:10	**Warm-up** (led by student captains)	Track centre grass
07:10 — 07:25	**Main run / walk** (3 lanes: light / medium / brisk)	400-m track outer lanes
07:25 — 07:30	**Cool-down & stretch**	Track centre grass
07:30 — 07:35	Walk slowly to the cafeteria (warm drink + breakfast)	Main building

---

🏃 The Three Lanes (choose your own, change any day)

Lane	Approximate pace	Who it suits
Light (inner–outer lane 5)	Walking / very slow jogging (~ 7 min/km and slower)	Students new to running, cold mornings, days when you are tired
Medium (lane 6)	Easy jog (~ 5:30 — 7 min/km)	Most students, most days
Brisk (lane 7)	Faster run (~ 5 min/km and under)	Students in the track team, training days

- **You may change lanes** any morning; no approval required.
- **Fast runners**, please stay in lane 7; passing on the inside is forbidden for safety.
- **Walking is welcome in the Light lane every single day.** Walking is also a real winter exercise.

🧥 Clothing & Warm-up Advice

- **Three thin layers** (thermal base + mid-layer fleece + windbreaker) are warmer than one thick coat. Layers trap small pockets of warm air.
- **Covered ears** (a thin knitted hat): 30% of our body heat escapes from the head and neck area in cold still air.
- **Thin gloves** for the run, thick gloves in the pocket for the cool-down.
- **Clean running shoes** with flexible soles; football studs and leather shoes are NOT allowed on the tartan track.
- **Do NOT wear headphones** — you need to hear the captain's voice and the small station bell.

🩺 Health & Safety Rules

- **Eat before you run**: one small banana or one slice of bread, 15 minutes before warm-up. **No full breakfast before running** — this causes stomach discomfort.
- **Breathing**: breathe in through the nose, out through the mouth. A thin cotton scarf over the mouth on very cold days (below −3 °C) is recommended.
- **Asthma / bronchitis / any lung condition**: please see the school infirmary first; a **blue asthma inhaler** is allowed in your pocket.
- **Injury report**: any small fall must be reported to the sign-in captain immediately; the school nurse Ms Kang is on duty in the infirmary at 07:00 every morning.
- **Air quality rule**: if the local AQI is **above 150** at 06:30, the run moves indoors to the ring corridor on the 2nd floor of Block A. An announcement will appear on the school mini-app by 06:35.

📅 Weekly Theme Days

Day	Small theme	Idea
Mon	**Slow-Start Monday**	The whole day uses only the Light lane. No brisk running.
Tue	**Music Tuesday**	PE Department plays two soft songs from a morning playlist via the track speakers (instrumental only, ~ 45 dB).
Wed	**Long-Walk Wednesday**	Instead of the track, the whole group walks 3 km through the "Three-Tree Loop" around the school.
Thu	**Sunrise Count**	At 07:22, everyone stops for 60 seconds and watches the sunrise in silence.
Fri	**Family Walk Friday**	Parents are invited to join (prior sign-up); Grade 9 students may bring a younger sibling.

🙋‍♀️ Student Captain Roles (18 students)

- 6 **Lane captains** (2 per lane, one front, one back, carry small green flags).
- 6 **Warm-up & cool-down leaders** (rotate daily).
- 3 **Sign-in stewards** (track gate, 07:00 — 07:10).
- 3 **Safety watchers** (carry first-aid pouch & walkie-talkie to nurse station).

Sign-up: school mini-app → PE → Morning-Light Run captains. **Closing: Thu 10 December, 17:30.**

🍵 Warm Breakfast at the Cafeteria (07:35 — 07:55)

- **Ginger-honey tea** at the entrance counter (free to all runners that morning).
- Normal cafeteria breakfast continues.
- Runners get a small **green stamp** on their meal card (one per day; not for any ranking — only for the end-of-winter small thank-you postcard).

❗ Important Quiet Rules

- **This is NOT a competition.** No timings are recorded, no ranking is published.
- **No mobile phones on the track.** Leave them in the classroom locker.
- **If you miss a morning, simply come the next day.** Nobody keeps attendance as a pressure tool.
- **Grade 9 students preparing for senior-high exams** are specifically invited; a gentle morning run improves cognitive test scores by about 8% in the same afternoon (University of Illinois 2021, 1,200 teenagers).
- **Students with fever above 37.5 ˚C, a cold, or other illness**: please rest at home or in the dormitory. Your classmates and captains will miss you kindly for one

morning.

💬 A Small Word from the PE Department

> "December mornings are short, cold, and extremely beautiful. The sky turns pink for about nine minutes between 07:20 and 07:29. Many of us, all our middle-school years, never see it — because we are already inside, in the warm yellow light of classroom 302, with our books open. The Morning-Light Run is a small invitation. **Come stand on a tartan track, with your friends, for thirty minutes, once a winter morning.** Run gently. Walk gladly. Let the sun meet your face before the bell meets your ear. Then go eat breakfast with warmer cheeks and a quieter heart."
> — *PE Department & Student Health Club, 11 December 2027*

根据通知内容，选择最佳答案。

1. What are the official dates, times, and basic nature of the Morning-Light Run 2027?

A. A weekend track race for 5 weeks.
B. A gentle, non-competitive, optional 30-minute activity, weekdays 07:05 — 07:35 from Mon 14 Dec 2027 through Fri 15 Jan 2028, on the 400-m outdoor track (or inside ring road on heavy-smog days); no time-trial, no ranking, no speed requirement.
C. A one-day event only.
D. A mandatory exam-preparation training.

2. According to the "Three Lanes" design, which of the following is true?

A. Only fast runners may participate.
B. Students must stay in the same lane for the whole five weeks.
C. Students may choose Light (walking / very slow jogging in an inner lane), Medium (easy jog, lane 6), or Brisk (faster run, lane 7), and may change lanes any morning with no approval needed; walking is welcome every single day.
D. Walking is not allowed.

3. What does the notice say about air quality and indoor backup?

A. The run always happens outdoors.
B. The run is cancelled for the whole winter.
C. If the local AQI is above 150 at 06:30, the run moves indoors to the ring corridor on

the 2nd floor of Block A; an announcement will appear on the school mini-app by 06:35.
D. Students are told to skip breakfast.

4. What is planned for "Sunrise Count" Thursday?

A. Students run 10 km.
B. At 07:22, everyone stops for 60 seconds and watches the sunrise in silence.
C. Students count how many stars are still visible.
D. Students sing a song.

5. What is the main message of the PE Department's closing word?

A. Morning running is dangerous and should be avoided.
B. December mornings are short, cold, and extremely beautiful; the sky turns pink for about nine minutes between 07:20 and 07:29, and many middle-school students never see it; the Morning-Light Run is a small invitation to stand on a tartan track, with friends, for thirty minutes once a winter morning — to run gently, walk gladly, let the sun meet your face before the bell meets your ear, then eat breakfast with warmer cheeks and a quieter heart.
C. Morning exercise guarantees higher grades.
D. Only Grade 9 may participate.

答案与解析

1.
【答案】B
【题型】细节理解题
【定位】通知开头
【解析】"5 周 / 07:05-07:35 / 不竞赛 / 雾霾备选"直引。A、C、D 均错。故选 B。

2.
【答案】C
【题型】细节理解题
【定位】Three Lanes 段
【解析】"三档 / 每日可换 / 走也是锻炼"直引。A、B、D 均错。故选 C。

3.
【答案】C
【题型】细节理解题
【定位】Health & Safety Rules 段
【解析】"AQI 150 / 室内环廊 / 06:35 mini-app"直引。A、B、D 均错。故选 C。

4.
【答案】B
【题型】细节理解题

【定位】Weekly Theme Days 段
【解析】"Sunrise Count 07:22 / 60 秒"直引。A、C、D 均错。故选 B。

5.
【答案】B
【题型】推理判断题
【定位】PE Department 结尾词
【解析】"天空 9 分钟粉红 / 邀请 + 更暖脸颊"主旨。A、C、D 均偏离。故选 B。
