First Ice-Skating Afternoon 2027 — *"A Small Quiet Ride on a Cold, Kind Afternoon."*
Date: Saturday, 27 December 2027
Time: 13:30 — 17:00 (three and a half hours, one afternoon)
Venue: Beihua Indoor Skating Rink, 1.8 km south of school, Wenhua Road 66
Transport: Special school shuttle bus (departs 13:00 from school east gate, returns 17:20)

---

① For the twelfth year in a row, Lihua Middle School's PE Department and Student Union open, on one quiet Saturday afternoon of December, a small door into a pleasure that many of our students have never tried: **standing upright on two thin blades of steel, on a large sheet of perfectly flat, cold, smooth ice.** This year, on **27 December 2027**, **three and a half hours** at the Beihua Indoor Rink are booked entirely for Lihua students in Grades 7—9. Two qualified coaches, eighteen student captains, warm lemon tea, and about **180 pairs of rental skates** in every size are waiting. **No student has ever skated?** Perfect. **You have skated five times before?** Also perfect. The afternoon is for everybody, gentle, optional, and one-day only.

🕒 Afternoon Schedule

Time	What	Where
12:45 — 13:00	Sign-in at school east gate	School gate
13:00 — 13:20	School shuttle bus to Beihua Rink (3 buses, all staff-supervised)	East gate → Wenhua Road 66
13:20 — 13:40	Arrival, skate rental, lockers, helmet & glove check	Rink foyer
13:40 — 14:00	**Opening safety talk** by Coach Zheng and Nurse Song	Rink-side bench

14:00 — 14:30	**Beginner Zone warm-up** (edges 1, 2, 3): walking on ice, safe falling, simple glide	Beginner Zone (west half)
14:30 — 15:30	**Free skating** under captains' guidance	Full rink (separated lanes)
15:30 — 15:45	**Warm break**: hot lemon tea + ginger biscuit	Foyer kindness table
15:45 — 16:40	Second free skating (beginner + intermediate mixed)	Full rink
16:40 — 16:55	Skate return, lockers, final head-count	Rink foyer
16:55 — 17:00	Board shuttle bus	Rink front door
17:00 — 17:20	Return ride to school east gate	Wenhua Road 66 → school
17:20	Parents notified by class group	—

🧭 Three Zones on the Rink

Zone	Location	Who it is for	Speed rule
Beginner Zone	West half of the rink, marked by soft red cones	Students who have never skated or have skated only 1—2 times	Walking pace; no forward gliding faster than slow-walk speed
Intermediate Lane	Outer big oval, east—north side	Students comfortable gliding and stopping	Moderate pace; no sudden turns
Show Corner (small)	Small painted square at the south-east corner	Any student with coach's OK who wants to practise small spins / simple backward skate	Skater-at-your-own-risk; captain watching

- **Do not cross from Beginner Zone into the Intermediate Lane without a captain's nod.**
- **No chasing, no hand-holding chains** of more than three students (they cause large fall groups).
- **Skate in one direction only** in the Intermediate Lane (counter-clockwise, the standard international skating direction).

🛡️ Safety Gear (what you MUST wear)

- **Helmet** (provided free; please do not bring your own bicycle helmet — they do not fit skating falls).

- **Thin gloves** (a fall on the ice can cut a bare hand on a skate blade; even mittens are fine).
- **Long trousers** (no short skirts, no bare knees — ice burn is quick).
- **Thick socks** (one pair is enough; two pairs in rental skates often cause painful pressure).
- **OPTIONAL but recommended**: knee pads + wrist guards (provided free at the sign-in desk — first 120 students).

🤕 Injury & Kindness Rules

- **Nurse Song is on rink-side from 13:40 to 16:55**, in a bright yellow vest, with a small red medical bag.
- **A captain or coach MUST be informed** of any fall harder than a gentle sit.
- **If a wrist, elbow or head hit the ice hard**, the student must STOP skating for the rest of the day and ice the area for 10 minutes. This is non-negotiable.
- **Dizziness / nausea / fainting**: 1 captain + 1 teacher take the student to the foyer rest-bench immediately; call home by 16:00 at the latest.
- **Girls on their period**: warm tea is free, rest-bench is always available, no pressure to keep skating; PE Department fully respects private reasons to rest.

🙋‍♀️ Student Captain Roles (18 captains)

- **6 Beginner-Zone captains** (pair up new skaters, hold hands for the first lap only, count every student every 10 minutes).
- **6 Intermediate-Lane captains** (watch speed, remind about counter-clockwise direction, ready to guide fallen skaters to the side).
- **3 Foyer & Lockers captains** (help with skate fitting, lockers, lost items).
- **3 Kindness-Table captains** (serve hot lemon tea, ginger biscuits, and warm-up towels; quietly watch for cold-shaky classmates).

Captains are recognised by **green armbands** on their left sleeves. If you are unsure of any rule, ask a green armband first, then a teacher.

🧣 Clothing & Warm-up Advice

- **Three thin layers** (base + fleece + windbreaker) — the rink is kept at **about 6–8 °C** indoors. The ice radiates a lot of cold upward.
- **Ears covered** (a thin knitted hat is OK under the helmet).
- **Long scarf NOT recommended** — loose scarf ends can catch in a skate blade.
- **No long earrings, no long necklaces, no phone lanyards around the neck**: all can become painful in a fall.

- **Tied-back hair** strongly recommended for girls with long hair.

💴 Money & Rentals

- **Skate rental**: **free** (sponsored by the school's Culture Fund for this one day only).
- **Helmet rental**: **free**.
- **Locker**: **free** (bring a ¥1 coin returned at end).
- **Warm drinks and ginger biscuits**: **free** (one cup and one biscuit per student; seconds allowed after 16:00).
- **Skate-sharpening**: **not needed** — the rink sharpens its own skates.

🚌 Bus Rules (very important)

- **The only way to arrive** is the school shuttle bus at 13:00; students may not make their own way there.
- **The only way to return** is the shuttle at 17:00; students may not leave alone afterwards (except to be picked up by a parent signed-in at the rink foyer by 16:45).
- **No phones with headphones on the bus** — the captain needs to count twice.
- **No eating or drinking on the bus** (sudden turns cause spills).

❗ Important Gentle Reminders

- **This is not a race. It is not a show.** Nobody's speed is measured; nobody's photo is posted.
- **If you fall, do not apologise** — every beginner falls at least three times. The captains fell four times each at their own first lesson.
- **Take off your skates at the end and walk one careful lap on rubber mats** before leaving the foyer — ice legs are wobbly on hard ground.
- **Phones** may be used only in the foyer, not on the ice; skating and scrolling is the fastest way to a broken wrist.

💬 A Small Word from the PE Department

> "The first time most of us stand on ice in our lives, we are quite scared — of the blades, of the cold, of falling in front of classmates. And yet, about twenty minutes in, a small private miracle happens: the body, almost without being asked, finds its balance; the ankles learn to listen; and the rink becomes a quiet, bright, cool room in which, for a little while, you are taller, slower, more

careful, and more amazed by your own body than you have been in months. **Come on Saturday. Fall three times. Laugh about them on the shuttle home.** Then go back to your classrooms on Monday with three small bruises you earned honestly on an ice sheet of your own kind winter."

根据通知内容，选择最佳答案。

1. What are the date, time, venue, and transport plan for the First Ice-Skating Afternoon 2027?

A. Saturday 27 December 2027, from 13:30 to 17:00 (3.5 hours), held at the Beihua Indoor Skating Rink at Wenhua Road 66 (1.8 km south of school); the only way to arrive is the special school shuttle bus leaving from the school east gate at 13:00, and the only way to return is the 17:00 shuttle (with return ride to school east gate 17:00—17:20 and parents notified by class group at 17:20).
B. Any day in January 2028, at a different outdoor rink, students make their own way there.
C. Sunday 28 December, 09:00 — 18:00, at the school sports hall.
D. The event is online only.

2. According to the "Three Zones" section, which of the following is TRUE?

A. All students skate freely with no lanes and no direction rules.
B. The Beginner Zone is in the west half, marked by soft red cones, for students who have never skated or have skated only 1—2 times, with a walking-pace rule and no forward gliding faster than slow-walk speed; the Intermediate Lane is the outer big oval on the east—north side for students comfortable gliding and stopping, at moderate pace with no sudden turns; the Show Corner is a small painted square at the south-east corner for any student with coach's OK; crossing from Beginner to Intermediate needs a captain's nod, chains of more than three students are forbidden, and the Intermediate Lane is skated counter-clockwise only.
C. Students must skate as fast as possible in all zones.
D. Chains of 10 students are encouraged for group fun.

3. What safety gear is required, and what are the injury rules?

A. Only a phone, a water bottle, and a short skirt are needed.
B. Required gear: a helmet (provided free; personal bicycle helmets not allowed), thin gloves (to avoid cuts from skate blades in a fall), long trousers (no short skirts, no bare knees because ice burn is quick), thick socks (one pair is enough, two often cause

painful pressure); optional but recommended knee pads and wrist guards (free for first 120 students); Nurse Song is rink-side 13:40 — 16:55 in a bright yellow vest with a red medical bag; any fall harder than a gentle sit must be reported to a captain or coach; if a wrist, elbow or head hits the ice hard, the student must STOP skating for the rest of the day and ice the area for 10 minutes (non-negotiable); dizziness/nausea/fainting means one captain and one teacher take the student to the foyer rest-bench and call home by 16:00 at the latest; girls on their period may rest freely with free warm tea and no pressure to keep skating.
C. Students must only wear swimsuits on the ice.
D. Injuries are ignored and skaters must keep skating.

4. What are the rules about arrival, departure, and money?

A. Students must pay ¥200 per skate and bring their own.
B. Skate rental, helmet rental, locker (¥1 coin returned at end), warm drinks and ginger biscuits are all free (sponsored by the school's Culture Fund for this one day only), and skate-sharpening is not needed because the rink sharpens its own skates; the only way to arrive is the 13:00 school shuttle from the east gate and the only way to return is the 17:00 shuttle (except to be picked up by a parent signed-in at the foyer by 16:45); no phones with headphones on the bus, no eating or drinking on the bus, and the captain counts twice.
C. Students can skip the shuttle and walk home alone.
D. The rental costs ¥150 and helmets are forbidden.

5. What is the main message of the closing word from the PE Department?

A. Ice-skating is only for experts and beginners should stay home.
B. The first time most people stand on ice they are quite scared — of the blades, the cold, and falling in front of classmates — yet about twenty minutes in, the body almost without being asked finds its balance, the ankles learn to listen, and the rink becomes a quiet, bright, cool room in which for a little while the skater is taller, slower, more careful and more amazed by her own body than she has been in months; so the PE Department invites students to come on Saturday, fall three times, laugh about them on the shuttle home, and go back to classrooms on Monday with three small bruises honestly earned on an ice sheet of their own kind winter.
C. Ice-skating teaches no lessons and should be cancelled.
D. Students should compete for the highest speed record.
