参考范文

Being responsible means doing what we are supposed to do and keeping our promises, even when no one is watching.

For example, at school, a responsible student finishes homework on time without copying from others. When it is our turn to clean the classroom, we should do a good job instead of leaving it to someone else. It may seem small, but these actions show that we care.

In daily life, we can start with small things: put rubbish in the bin, return borrowed books on time, and take responsibility for our own choices. A responsible person earns trust and respect from everyone.

负责任意味着做我们应该做的事、信守承诺，即使没有人在看着我们。

比如，在学校，一个有责任心的学生会按时完成作业，不抄袭他人。轮到我们打扫教室时，我们应该认真做好，而不是把事情留给别人。这些事看似很小，但它们说明我们在乎。

在日常生活中，我们可以从小事做起：把垃圾扔进垃圾桶、按时归还借的书、为自己的选择负责。一个负责任的人会赢得每个人的信任和尊重。
