参考范文

Last Saturday, Mum was away on a business trip, so I decided to do the housework by myself.

First, I washed the dishes. I used too much washing-up liquid, and bubbles splashed all over my shirt! Then I mopped the floor. It took me almost an hour. Just when I finished, I walked across the room and left a row of footprints on the wet floor. I couldn't help laughing at myself.

Although I was tired and a bit messy, I felt proud. Now I understand why Mum always looks tired in the evening. Housework is not easy, and I should help more often and appreciate what my parents do every day.

全文翻译

上周六妈妈出差了，于是我决定自己做家务。

首先我洗碗。洗洁精放多了，泡沫溅得我衬衫到处都是！然后我拖地，花了将近一个小时。刚拖完，我走过房间，在湿漉漉的地板上留下了一排脚印。我忍不住笑自己。

虽然又累又狼狈，但我感到很自豪。现在我理解妈妈为什么每天晚上总是看起来很疲惫了。家务不容易，我应该多帮忙，感恩父母每天的付出。
