Music is like a friend who never leaves. When I am happy, I sing along; when I feel low, music lifts me up.

I remember once before an English speech contest, I was so nervous that my hands were shaking. I put on my headphones and listened to my favourite song. The gentle melody seemed to say, "Believe in yourself." Gradually, I calmed down and walked onto the stage with confidence. I did much better than I had expected.

Music has a healing power. It can cheer us up, calm us down and connect us with our deepest feelings. Life without music would be a mistake.

音乐就像一个永远不会离开的朋友。当我开心时，我跟着唱；当我心情低落时，音乐把我拉起来。

我记得有一次英语演讲比赛前，我紧张得手直发抖。我戴上耳机，听了我最喜欢的歌。轻柔的旋律仿佛在说："相信自己。"慢慢地，我平静下来，自信地走上了舞台。我的表现比预期好得多。

音乐有一种治愈的力量。它能让我们振作、让我们平静，还能连接我们内心最深的情感。没有音乐的生活将是一个错误。
