参考范文

Last Friday was our school sports day, and it turned out to be unforgettable. I signed up for the 800-metre race.

The first lap went smoothly, but with only 100 metres left, my legs felt as heavy as lead and I almost wanted to stop. Just then, I heard my classmates shouting, "Come on! You can do it!" Their voices were like fuel for my legs. I gritted my teeth, pushed forward and finally crossed the finish line.

I didn't win a medal, but I won something more important — the courage to keep going. That day taught me that we are never alone when our friends believe in us.

全文翻译

上周五是学校运动会，结果令人难忘。我报名参加了800米赛跑。

第一圈很顺利，但还剩最后100米时，我的双腿重得像灌了铅，几乎想停下来。就在那时，我听到同学们大喊："加油！你能行！"他们的声音像给我双腿注入了燃料。我咬紧牙关，奋力向前，终于冲过了终点线。

我没有赢得奖牌，但我赢得了更重要的东西——继续前进的勇气。那一天让我明白，当朋友相信我们时，我们永远不是孤军奋战。
