参考范文

Looking back, last July's summer camp at a youth centre was more than just fun. The theme was science and teamwork, and I stayed there for five days.

What touched me most was the team challenge on the third evening. We had to build a simple bridge with limited materials and test it together. At first we argued about the plan, but we listened to each other and finally succeeded. That night, we sat around a campfire and sang songs under the stars.

I made friends from different schools and became more confident. It was a summer I'll always treasure.

全文翻译

回想起来，去年七月在青少年活动中心举办的夏令营不仅仅是好玩。主题是科学与团队合作，我在那里度过了五天。

最让我感动的是第三天晚上的团队挑战。我们必须用有限的材料一起搭建一座简易桥并进行测试。起初我们为方案争论，但后来彼此倾听，最终取得了成功。那天晚上，我们在星空下围坐在篝火旁唱歌。

我结识了来自不同学校的朋友，也变得更加自信。那是一个我会永远珍藏的夏天。
