参考范文

Last week, I took part in an English drama performance organised by our school. We performed Snow White, and I played the role of the Evil Queen.

At first, I found it really challenging. I had over fifty lines to memorise, and my pronunciation was not good enough. I felt nervous and almost wanted to give up. However, my teammates encouraged me and practised with me every day after school. I also listened to English recordings and imitated the accent over and over again. Gradually, I became more fluent and confident.

On the day of the performance, everything went smoothly. The audience clapped and cheered loudly.

This experience taught me two things: practice makes perfect, and teamwork can help us achieve what seems impossible.

全文翻译

上周，我参加了学校组织的英语话剧表演。我们表演的是《白雪公主》，我扮演了邪恶的王后。

一开始，我觉得非常有挑战性。我要背五十多句台词，而且我的发音也不够好。我很紧张，几乎想放弃。然而，队友们每天放学后鼓励我并陪我一起练习。我还听英语录音，反复模仿语调。渐渐地，我变得更流利也更自信了。

表演当天，一切进展顺利。观众热烈地鼓掌欢呼。

这次经历教会了我两件事：熟能生巧，团队合作能帮助我们实现看似不可能的事。
