参考范文

Our community recently launched a campaign called "Be a Civilised Resident". It reminds us to think about our daily behaviour.

Sadly, some bad habits still exist. A few people throw rubbish on the ground even though dustbins are just steps away. Others play loud music late at night, disturbing their neighbours' rest. Some even let their dogs run freely without a lead, which can frighten children.

To be civilised residents, we should start with small things. Put rubbish in the right bin and sort it properly. Keep our voices down in public areas. Walk our pets on a lead and clean up after them. Most importantly, treat our neighbours with respect and kindness.

I hope our community will become cleaner, quieter and more harmonious. If everyone does a little, our neighbourhood will become a warm and happy home for all.

全文翻译

我们社区最近发起了一项名为"争做文明居民"的活动。它提醒我们反思自己的日常行为。

遗憾的是，一些不良习惯仍然存在。有些人明明垃圾桶就在几步之遥，却把垃圾扔在地上。还有人深夜大声放音乐，打扰邻居休息。有些人甚至不牵绳遛狗，可能会吓到小孩。

要成为文明居民，我们应该从小事做起。把垃圾放进正确的垃圾桶并正确分类。在公共区域控制音量。遛宠物要拴绳并清理排泄物。最重要的是，以尊重和善意对待我们的邻居。

我希望我们的社区变得更干净、更安静、更和谐。如果每个人都做一点点，我们的小区就会成为所有人温暖幸福的家园。

建议	普通表达	升格表达
不文明	People throw rubbish everywhere.	Litter scattered beside dustbins is a silent cry for better habits.
做法	We should be polite.	Civility is not a grand gesture — it is holding the door, lowering your voice, and picking up what others drop.
期望	I hope our community is better.	I dream of a community where every path is clean, every night is peaceful, and every neighbour is a friend.
