参考范文

My fourteenth birthday was unlike any other. Instead of having a party, I spent it at a children's home.

That morning, my parents and I brought gifts, books and a birthday cake to share with the children there. When we arrived, the kids ran towards us with bright smiles. We played games, sang songs and read stories together. The happiest moment was when we cut the cake — every child clapped and sang "Happy Birthday" to me. Their laughter was the best gift I had ever received.

This experience taught me that true happiness comes not from receiving but from giving. A birthday celebrated with love and kindness is far more meaningful than one filled with expensive presents.

全文翻译

我的十四岁生日与以往不同。我没有开派对，而是在一家儿童福利院度过了这一天。

那天早上，我和父母带着礼物、书和一个生日蛋糕去和那里的孩子们分享。到达时，孩子们带着灿烂的笑容跑向我们。我们一起做游戏、唱歌、读故事。最开心的时刻是切蛋糕——每个孩子都拍着手唱"生日快乐"。他们的笑声是我收到过的最好的礼物。

这次经历教会了我，真正的幸福不在于索取，而在于给予。一个充满爱和善意的生日，远比一个堆满昂贵礼物的生日更有意义。
