参考范文

School bullying is a serious problem that we must face and fight against.

Bullying can take many forms. Some students are hit or pushed by others. Some are laughed at, called names or left out of groups on purpose. There is also cyberbullying — spreading hurtful messages online. All of these behaviours cause deep harm.

Victims of bullying often feel scared, lonely and helpless. They may lose confidence, refuse to go to school, or even suffer from depression. No one deserves to be treated this way.

To prevent bullying, we should speak up when we see it happening. Tell a teacher or a parent immediately. Schools should also set strict rules and organise anti–bullying activities. Most importantly, treat everyone with kindness and respect.

Say no to bullying. Every student deserves a safe and friendly school.

全文翻译

校园霸凌是一个我们必须面对和抵制的严重问题。

霸凌有多种形式。有些学生被打或被推搡。有些被嘲笑、起外号或被故意排挤。还有网络霸凌——在网上散播伤人的信息。所有这些行为都会造成深深的伤害。

霸凌的受害者往往感到害怕、孤独和无助。他们可能丧失信心、不愿上学，甚至患上抑郁症。没有人应该被如此对待。

为了防止霸凌，我们看到发生时应该勇敢发声。立即告诉老师或家长。学校也应制定严格的规则并组织反霸凌活动。最重要的是，以善意和尊重对待每一个人。

对霸凌说不。每个学生都应拥有一个安全友好的校园。
