Great news, everyone! Our school library has just opened a brand-new English Reading Corner, and I'd like to invite you all to visit it.

The Reading Corner is on the second floor of the library, next to the magazine section. It is open from Monday to Friday, 12:00 to 1:30 p.m. and 4:00 to 5:30 p.m. The space is bright, quiet and perfect for reading.

There are hundreds of English books, from classic novels like Charlotte's Web to popular science magazines and comic books. Whatever your level or interest, you will find something you enjoy.

Reading English books has many benefits. It helps us build vocabulary, improve grammar naturally and learn about different cultures. Most importantly, it makes learning English fun rather than boring.
