参考范文

What does it mean to be responsible? In my opinion, being responsible means taking ownership of your actions and caring about the people around you.

A responsible student does not only focus on getting good grades. At school, it means finishing homework on time, following rules and helping classmates in need. At home, it means doing household chores without being asked — like washing dishes or tidying your room. In society, it means protecting the environment and respecting others.

As for me, I plan to become more responsible in three ways. First, I will manage my time better and never leave tasks to the last minute. Second, I will help my parents more at home. Third, I will take part in community service during holidays.

Responsibility may start small, but its impact is huge. Let us all grow into responsible young people!

全文翻译

什么是负责任？在我看来，负责任意味着为自己的行为负责，并关心身边的人。

一个负责任的学生不只是关注取得好成绩。在学校，它意味着按时完成作业、遵守规则、帮助有需要的同学。在家里，它意味着不需要被要求就做家务——比如洗碗或整理房间。在社会上，它意味着保护环境和尊重他人。

至于我，我计划从三个方面变得更加负责任。首先，我会更好地管理时间，不把事情拖到最后一刻。其次，我会在家里更多地帮助父母。第三，我会在假期参加社区服务。

责任也许始于小事，但它的影响是巨大的。让我们一起成长为负责任的年轻人！
