参考范文

Dear friends from the UK,

Welcome to our school! We are so excited to have you here.

Our school has many interesting activities that we'd love to share with you. Every Wednesday, we have a traditional Chinese culture class where you can try calligraphy, paper-cutting and tea art. On Fridays, the school choir and dance club hold performances. We also have a fantastic science lab where students work on creative projects.

During your stay, we hope to learn about British culture from you — your food, music and school traditions. In return, we will show you the best of Chinese culture and daily student life.

We believe this exchange will build a bridge of friendship between us. Let's make wonderful memories together!
