中考英语完形填空：篮球赛

完形填空原文

Our school held its annual basketball competition last month. My class signed up immediately because we had some of the best ***1*** in the whole grade. We practised every afternoon after school, hoping to win the championship.

The first two games were easy. We won both of them by large scores. Everyone was ***2*** and we started to think we would definitely win the final. Our coach, Mr Liu, warned us, "Don't be too confident. The other team is very ***3*** too. You need to keep practising hard."

The final came on Friday afternoon. The whole school gathered in the gym to watch. Our opponent was Class Five, who had also won all their previous games. From the very beginning, we could tell this game would be ***4***. Both teams played well and the score was always very close.

In the last five minutes, Class Five was ahead by two points. I could see some of my teammates looking ***5***. But our captain, Wang Lei, shouted, "Come on! We can still do it! Don't give up!" His words gave us new ***6***.

With only one minute left, I got the ball near the three-point line. My heart was beating fast. I took a deep breath and ***7*** the ball towards the basket. Time seemed to slow down. The ball went up, hit the rim, bounced once, and then — it went in! The crowd went wild. We were now one point ***8***.

Class Five tried to score in the final seconds but failed. When the final whistle blew, our whole team jumped up and cheered. We had won! It was the ***9*** moment of my school life so far.

After the game, Mr Liu said to us, "You won because you never gave up, even when things looked bad. Remember, ***10*** is not just about talent. It is about teamwork and perseverance."
