中考英语完形填空：和朋友野餐

完形填空原文

Last weekend, my friends and I planned a picnic in the park. We decided to meet at the gate at nine in the morning. Everyone brought something to ***1*** — I brought sandwiches, Li Ming brought fruit, and Wang Fang brought drinks and snacks. Together we had more than enough food.

We found a nice spot under a big tree. The ***2*** was soft and green, perfect for sitting on. We spread out our blanket and laid all the food in the middle. Before we started eating, we took lots of ***3***. We wanted to remember this happy day.

As we ate, we talked and laughed. We shared stories about our summer holiday. Li Ming told us about his trip to the mountains. Wang Fang said she had learned to swim. I talked about the books I had read. Time ***4*** so quickly when you are having fun. Suddenly it was already noon.

After lunch, we played some games. We ran races and played catch. A little dog from a nearby family came over and ***5*** with us. It was so cute that we could not stop playing with it. The owner smiled and said we could come back anytime.

When it was time to leave, we made sure to ***6*** all our rubbish. "Leave the park as clean as we found it," Wang Fang said. We packed everything and said goodbye. I felt a bit ***7*** because the day had been so wonderful and I did not want it to end.

On my way home, I thought about how lucky I am to have such good friends. We do not need expensive things to have fun — just good company and a beautiful day. I hope we can have another picnic ***8***. Maybe next time we can invite more friends and make it even ***9***.

That picnic was one of the best ***10*** of my summer. It reminded me that the simplest moments often bring the greatest joy.
