# 中考英语完形填空：暑假最后的惊喜

## 完形填空原文

The summer holiday was almost over. School would start in three days. I had spent most of the holiday doing homework, reading books, and helping at home. I felt a little ***1*** that the holiday was ending. I would miss the long days and the freedom.

On the last Friday of the holiday, my parents told me they had a surprise for me. "Pack your bag," Mum said. "We are going on a short trip tomorrow morning." I was curious but they would not tell me where we were ***2***. I tried to guess all evening but could not figure it out.

The next morning, we got into the car and drove for about two hours. When we finally stopped, I looked out of the window and could not ***3*** my eyes. We were at the seaside! I had always wanted to see the ocean, but we had never had the time to go. My parents had saved this as a special gift for me.

The beach was beautiful. The sand was soft and warm. The waves came and went, making a gentle sound. I took off my shoes and ran towards the water. The sea was cool and ***4***. I had never felt so happy. My parents sat on the sand and watched me play. I could see the joy on their faces too.

We spent the whole day there. I swam in the sea, built sand castles, and collected shells. For lunch, we had a picnic on the beach. My father told me that he and Mum had been ***5*** this trip for weeks. "We wanted to give you a wonderful memory before school starts," he said. I was so moved that I hugged them both.

That evening, we watched the sunset together. The sky turned orange and pink. It was the most beautiful ***6*** I had ever seen. I took many photos with my phone. I wanted to keep this moment forever.

On our way home, I thought about the summer. It had been a good one — I had learned to cook, made new friends, and read many books. But this last trip was the best ***7*** of all. It was not just about the beach or the sea. It was about my parents' love and the effort they made to make me happy.

I will never forget that day. Whenever I feel tired or stressed during the school year, I will think of the ocean, the sunset, and my parents' smiles. Some ***8*** are worth keeping in our hearts forever.

Thank you, Mum and Dad, for the surprise. Thank you for always thinking of me. I promise to work hard at school and make you ***9***. And when I grow up, I hope to give you surprises too — not just things, but time, love, and ***10*** memories together.
