中考英语完形填空：秋游野炊

完形填空原文

Last Saturday, our class went on an autumn outing to a park by the lake. The main activity was a picnic where we would cook our own lunch. We were divided into several groups, and each group had to ***1*** food and cooking tools.

My group chose to make fried rice and vegetable soup. Li Hua was responsible ***2*** lighting the fire, while I cut the vegetables. At first, we had some ***3*** starting the fire because the wood was a bit wet. But after several tries, we finally succeeded. The fire made our faces warm in the cool autumn ***4***.

When the food was ready, we sat together on the grass and enjoyed our meal. Everyone agreed that the food tasted ***5*** than we had expected — perhaps because we made it ourselves! After lunch, we played some team games. I had ***6*** had so much fun with my classmates.

The teacher said that this kind of activity could help us learn to work ***7*** and solve problems together. I think she was right. We not only enjoyed the beautiful autumn ***8*** but also learned the importance of cooperation. I hope we can have ***9*** outing like this next semester. It was really an ***10*** experience!
