10–15 第1篇

中考英语完形填空：在图书馆度过下午（安静的阅读时光）

完形填空原文

I love spending Saturday afternoons at the school library. It is my favorite place to relax and enjoy *1* reading. When I push open the heavy door, a smell of old books welcomes me. The library is always *2* because everyone knows they should keep quiet here.

I walk between the tall *3* and look for something interesting. Last week, I found a great book about space. I *4* a seat by the window where the sunlight comes in. The chair was soft and *5*. I opened the book and soon forgot about everything around me.

Two *6* passed before I knew it. I had read more than fifty pages. Sometimes I would look up and see other students reading *7*, just like me. There was no noise, only the soft sound of turning pages. I felt so *8* and happy.

Before I left, I *9* the book to its right place. The librarian smiled and said, "See you next week!" I waved goodbye. That afternoon in the library was one of the best *10* of my week. I cannot wait to go back again.
