完形填空原文

Last Friday afternoon, our class held a football match with Class 5. The weather was perfect — sunny and not too hot. We had been ***1*** for this day for two weeks. Everyone was excited when the whistle blew and the game ***2***.

In the first half, we played ***3***, but Class 5 scored a goal first. I felt a little worried. Our team captain, Li Ming, came over and said to us, "Don't give up! We still have time." His words made us feel ***4*** again. We tried our best and finally, before the half-time, we got a goal. The score was 1-1.

After the break, both teams fought hard. I ran as fast as I could to ***5*** the ball. When I passed it to a teammate, he shot and scored! We were leading 2-1. The whole class ***6*** and cheered loudly from the sidelines. Our teacher was also there, watching and cheering for us.

In the last few minutes, Class 5 tried to ***7*** a goal, but our goalkeeper did a great job. He caught every shot. When the final whistle blew, we had won the match. We shook hands with the other team. Although we were tired, we felt very ***8***.
