中考英语完形填空：参加校园环保宣传活动

完形填空原文

Last month, our school held an environmental protection activity. I was excited to ***1*** in it. We wanted to tell everyone how important it is to save water and electricity, and to recycle waste.

The activity started on Monday morning. We put up posters around the school with the ***2*** "Go Green, Save the Earth". Many students stopped to look at them. Some even took photos. At noon, we set up a small ***3*** in the school square. We gave out leaflets and asked students to sign their names if they agreed to protect the environment.

I was a little ***4*** at first because I had to talk to strangers. But when a junior student came to me and said, "I will tell my family about this," I felt encouraged. Soon I became more confident. I ***5*** more than fifty students that afternoon.

Our teacher said we did a good job. She also told us that small ***6*** in our daily life can help a lot. For example, we can turn off the lights when we leave a room, and we can use both sides of the paper. I decided to ***7*** these habits from that day on.

The activity ***8*** for a week. On the last day, we had a short meeting. Our headmaster gave a speech and thanked all of us. He said that our school would hold such activities ***9*** every year. I was proud of what we had done. Protecting the environment is everyone's duty, and I hope more students will ***10*** us next time.
