中考英语完形填空：学做泡菜

完形填空原文

Last weekend, Grandma came to visit us. She said she would teach me how to make pickles. I was very ***1*** because I had never tried it before and wanted to learn something new.

First, Grandma and I went to the market to buy fresh vegetables. We bought some cabbage, carrots and a few other ***2***. Grandma said the vegetables must be clean and fresh. When we got home, we washed everything ***3*** under the tap.

Then Grandma taught me the steps. We cut the cabbage into small pieces and put them in a big ***4***. We added some salt and mixed everything with our hands. Grandma said we had to wait for about half an hour to let the salt work. During that time, we ***5*** the carrots into thin strips.

After that, we prepared the pickle sauce. Grandma mixed vinegar, sugar, and a little garlic together. The ***6*** smelled a little strong, but Grandma said it would make the pickles taste delicious. We poured the sauce over the vegetables and pressed them down. Finally, we put a lid on the jar and placed it in the ***7***.

Grandma told me we had to wait for two or three days before eating. I was a bit ***8*** because I wanted to taste it right away! But when the day came, I opened the jar and tried a piece. The pickle was crunchy and a little sour. I ***9*** it very much. Grandma smiled and said, "Now you can make pickles by yourself. The more you practice, the ***10*** you will become."
