中考英语完形填空：制作手工生日蛋糕送同学

完形填空原文

Next Saturday is Li Ming's birthday. He is my best friend at school. I wanted to give him a special gift — a cake made by ***1***. I had never made a cake before, so I asked my mother to teach me.

On Sunday morning, we started. First, we got the ingredients ***2***: flour, eggs, sugar, butter, and milk. Mum said we must measure everything carefully, or the cake would not taste good. I followed her instructions step by step.

We mixed the flour with the eggs and sugar in a big bowl. I ***3*** the mixture for about five minutes until it became smooth. Then we added butter and milk. The next step was to pour the mixture into a cake tin and put it in the oven. We had to ***4*** for forty minutes. The kitchen soon smelt wonderful!

When the cake was ready, we took it out and let it cool. Then came the fun part — decorating! I spread white cream on top and wrote "Happy Birthday, Li Ming" with chocolate. I also put some fresh strawberries around the ***5***. It looked really beautiful.

On Li Ming's birthday, I brought the cake to school. When he saw it, his eyes became wide. "You made this for me?" he asked in ***6***. I nodded and said, "Yes! I hope you like it." He smiled and gave me a big hug.

We shared the cake with our classmates at lunch. Everyone said it was ***7***. Li Ming said it was the best birthday gift he had ever received. Making the cake took me a whole morning, but seeing his happy face made all the hard work ***8***. I learned that a handmade gift can mean much more than something bought from a ***9***. It carries your care and effort. I will try to make more things with my own hands for the people I ***10***.
