## 参考范文

Last Saturday, I joined a community volunteer activity organised by our school. About thirty students went to Sunshine Nursing Home to spend the morning with the elderly.

When we arrived, we were divided into groups. Some of us cleaned the rooms and watered the flowers, while others chatted with the grandparents and performed short songs for them. I read a newspaper aloud to an old man who could barely see. He held my hand and said, "Thank you, child. You've made my day."

That simple sentence touched my heart deeply. I realised that even small acts of kindness can bring great warmth to others. Volunteering is not just about helping — it is about connecting hearts and spreading love. I hope more students will join in and experience this joy.

# 全文翻译

上周六，我参加了学校组织的社区志愿活动。大约三十名学生去了阳光敬老院，陪老人们度过了一个上午。

到达后，我们被分成了小组。一些同学打扫房间、浇花，另一些同学和老人们聊天、为他们表演小歌曲。我给一位几乎看不见的老爷爷大声朗读报纸。他握着我的手说："谢谢你，孩子。你让我今天很开心。"

这句简单的话深深触动了我的心。我意识到即使是小小的善举也能给他人带来巨大的温暖。志愿服务不仅仅是帮助——更是连接心灵、传递爱。我希望更多同学加入进来，体验这份快乐。
