参考范文

What makes a good friend? In my opinion, a good friend should be honest, kind and supportive. Someone who listens when you are upset and cheers you up when you feel down — that is a true friend.

I met my best friend, Xiao Wei, on the first day of middle school. We were both shy and sat alone at lunch. I offered to share my snacks, and he smiled. That small moment was the beginning of a friendship that has lasted three years.

Since then, we have studied together, laughed together and even argued a few times. But we always make up quickly because we respect each other.

I believe true friendship is not about being perfect — it is about being real. A friend who stays through the storms is worth more than a hundred who only come for the sunshine.

全文翻译

什么样的人才是好朋友？在我看来，好朋友应该诚实、善良、互相支持。当你难过时愿意倾听，当你低落时给你打气——那才是真正的朋友。

我在初中开学第一天认识了我最好的朋友小伟。我们都很害羞，午饭时独自坐着。我主动分享了我的零食，他笑了。那个小小的瞬间就是一段持续三年友谊的开始。

从那以后，我们一起学习、一起大笑，甚至吵过几次架。但我们总是很快和好，因为我们互相尊重。

我相信真正的友谊不在于完美——而在于真实。一个在风雨中留下的朋友，胜过一百个只为阳光而来的人。

升格建议（3条）

建议	普通表达	升格表达
品质	A good friend is kind.	A good friend is a mirror that shows you who you truly are and still chooses to stand beside you.
经历	We became friends at school.	Friendship found us in the most ordinary moment — a shared snack and an unspoken promise to never eat lunch alone again.
感悟	Friends are important.	True friendship is not a shelter from the storm — it is two people learning to dance in the rain together.
