Good afternoon, everyone!

My dream job is to become a doctor. It has been my dream ever since I was a child.

When I was seven, my grandmother was seriously ill and stayed in hospital for two months. I watched the doctors and nurses take care of her patiently every single day. Thanks to them, she recovered. At that moment, I told myself that I wanted to be someone who saves lives and brings hope to families.

To achieve this dream, I know I need to work hard. First, I will study science and biology carefully in school. Second, I will read more books about medicine. Third, I will keep a healthy body so that I have the energy to help others in the future.

I believe that with hard work and determination, my dream will come true one day.

Thank you!

全文翻译

大家下午好！

我的梦想职业是成为一名医生。这是我从小就有的梦想。

七岁那年，奶奶生了重病，住了两个月的院。我看着医生和护士每天耐心地照顾她。多亏了他们，奶奶康复了。那一刻，我告诉自己，我要成为那种能拯救生命、为家庭带来希望的人。

为了实现这个梦想，我知道我必须努力学习。首先，我会在学校认真学习科学和生物。其次，我会多读关于医学的书。第三，我会保持健康的身体，这样将来才有精力去帮助别人。

我相信凭借努力和决心，我的梦想终有一天会实现。

谢谢大家！

升格建议（3条）

建议	普通表达	升格表达
引入	I want to be a doctor.	If I could choose one superpower, it would not be flight or invisibility — it would be the power to heal.
原因	Doctors help sick people.	A doctor does more than cure diseases — a doctor mends the broken hopes of a worried family.
努力	I will study hard.	Every page I turn in my textbook today is one step closer to the white coat I dream of wearing tomorrow.
