参考范文

Some people think extracurricular activities are a waste of time, but I strongly disagree.

I have been a member of the school drama club for two years. Every week, we rehearse plays, design costumes and practise voice control. At first, I joined just for fun, but it has given me so much more than I expected.

Through drama, I have become more confident in public speaking. Working as a team has also taught me how to cooperate and communicate with others. Most importantly, drama has become a way for me to relax after a long day of studying.

In my opinion, extracurricular activities are not the opposite of studying — they are a perfect complement to it. A student who only studies is like a tree with branches but no flowers. Activities add colour to our school life and help us grow into well-rounded individuals.

全文翻译

有人认为课外活动是浪费时间，但我强烈反对。

我已经是学校话剧社的成员两年了。每周我们排练戏剧、设计服装、练习声音控制。一开始我只是为了好玩而加入，但它给了我远超预期的收获。

通过话剧，我在公开演讲方面变得更自信了。团队合作也教会了我如何与他人合作和沟通。最重要的是，话剧成了我在漫长的学习日后放松的方式。

在我看来，课外活动并不是学习的对立面——它们是学习的完美补充。一个只会学习的学生就像一棵有枝无花的树。活动为我们的校园生活增添色彩，帮助我们成长为全面发展的人。

升格建议（3条）

建议	普通表达	升格表达
引入	Extracurricular activities are important.	Textbooks teach us facts, but it is the stage, the pitch and the art room that teach us who we are.
好处	Drama helped me become confident.	On stage, I learned that my voice has power, my ideas have value, and my stage fright is just a dragon waiting to be tamed.
总结	Activities are good for students.	Education without activities is like a song with only notes and no rhythm — technically complete, but missing the soul.
