参考范文

As a Grade 9 student, I often feel stressed about schoolwork. The final exam is getting closer, and there is so much to review. Sometimes I lie awake at night worrying about my grades.

To deal with the pressure, I have tried several things that really work. First, I go jogging every evening for about twenty minutes. Exercise clears my mind and helps me sleep better. Second, I talk to my parents when I feel overwhelmed. They always remind me that doing my best is good enough. Third, I break big tasks into small steps so they don't feel so scary.

My advice to other students is simple: don't fight stress alone. Share your feelings, move your body and remember — one step at a time is still moving forward. Pressure is not the enemy; giving up is.

全文翻译

作为一名初三学生，我经常为学业感到压力。期末考试越来越近，要复习的内容太多了。有时候我晚上躺在床上睡不着，担心成绩。

为了应对压力，我尝试了几个真正有效的方法。第一，我每天晚上慢跑大约二十分钟。运动能让我头脑清醒，睡得更好。第二，当我感到不堪重负时，我会和父母聊聊。他们总是提醒我，尽力就好。第三，我把大任务拆成小步骤，这样就不会觉得那么可怕。

我对其他同学的建议很简单：不要独自面对压力。分享你的感受，活动你的身体，记住——一次走一步，也是在前进。压力不是敌人，放弃才是。

升格建议（3条）

建议	普通表达	升格表达
压力	I have a lot of homework.	My desk is a battlefield of textbooks and past papers, and the final exam is the ticking clock on the wall.
方法	Running helps me feel better.	Twenty minutes of jogging is my daily reset button — it turns a foggy mind into a clear sky.
建议	Don't give up.	Pressure is just a heavy backpack on a long hike — you can set it down to rest, but you don't have to throw it away to keep walking.
