参考范文

Wednesday, November 20th Sunny

Something unpleasant happened today. Mum asked me to put down my phone during dinner, but I was in the middle of chatting with my friends and didn't want to stop. She got angry and took my phone away. I shouted, "You never understand me!" and ran back to my room.

After calming down, I felt ashamed of what I said. Mum wasn't trying to control me — she just wanted us to enjoy dinner together as a family. I was the one being rude and unreasonable.

I've decided to apologise to her tonight. In the future, I will try to see things from my parents' point of view before reacting. I'll also set screen–time limits for myself so the same argument doesn't happen again.

Communication is a two-way street. If I want to be understood, I need to learn to understand first.

全文翻译

11月20日 星期三 晴

今天发生了一件不愉快的事。妈妈让我在吃饭时放下手机，但我正在和朋友聊天，不想停下来。她生气了，把我的手机没收了。我冲她喊："你从来不理解我！"然后跑回了房间。

冷静下来后，我为自己说的话感到羞愧。妈妈不是想控制我——她只是想让我们一家人好好吃顿饭。无礼且不讲理的人是我。

我决定今晚向她道歉。以后，我会在反应之前试着从父母的角度看问题。我也会给自己设定屏幕时间限制，这样同样的争吵就不会再发生了。

沟通是双向的。如果我想被理解，我需要先学会理解别人。

升格建议（3条）

建议	普通表达	升格表达
经过	I was angry and shouted.	My words flew out like arrows, and the moment they left my mouth, I wished I could catch them back.
反思	I was wrong.	The silence in my room was louder than our argument — it gave me time to hear the voice of regret.
感悟	We should communicate better.	A family is not a courtroom where someone wins and someone loses — it is a garden where patience and understanding help love grow.
