参考范文

Last Saturday morning, our school organised a "Community Service Day". About forty students went to the Greenfield Community Centre to help out.

We were divided into three teams. The first team taught elderly residents how to use smartphones to video-call their children. The second team helped clean up the park nearby. I was in the third team — we read picture books to young children at the community library. The kids' happy laughter was the best reward I could ever ask for.

The experience made me realise that community service is more than just doing good deeds. It brings different generations together and builds a stronger neighbourhood. Even a small act — reading a story, picking up litter, or teaching a new skill — can make someone's day brighter.

I hope our school will hold more activities like this in the future.

全文翻译

上周六上午，学校组织了"社区服务日"。大约四十名学生去了绿园社区中心帮忙。

我们被分成三个小组。第一组教老年居民如何用智能手机和孩子视频通话。第二组帮忙清理附近的公园。我在第三组——我们在社区图书馆给小朋友读绘本。孩子们的欢声笑语是我能要求的最好的回报。

这次经历让我意识到社区服务不仅仅是做好事。它让不同年龄的人走到一起，建立更紧密的邻里关系。即使一个小小的举动——讲个故事、捡起垃圾或者教一项新技能——都能让某人的一天变得更美好。

我希望学校将来能举办更多这样的活动。
