参考范文

Last month, I turned fifteen. I thought it would be just an ordinary day, but my friends and family turned it into a birthday I will never forget.

In the morning, I found a handwritten card on my desk at school. It was from my classmates — each of them had written a sentence about what they liked about me. Some were funny, some were sweet, and all of them made me smile.

When I got home, Mum had baked a chocolate cake from scratch. As she lit the candles, she said quietly, "I remember the day you were born — you were so tiny, and now look how much you've grown." Her words brought tears to my eyes.

That birthday taught me that the best gifts are not wrapped in boxes. They come in the form of kind words, warm hugs and the love of people who truly care about you.

全文翻译

上个月我满十五岁了。我以为只是普通的一天，但朋友和家人把它变成了一个我永远不会忘记的生日。

早上，我在学校的课桌上发现了一张手写的卡片。那是我的同学们写的——每人写了一句他们喜欢我的什么。有些搞笑，有些温馨，全都让我忍不住微笑。

回到家，妈妈从零开始烤了一个巧克力蛋糕。她点燃蜡烛时，轻声说："我记得你出生那天——你那么小，现在看看你长了多少。"她的话让我热泪盈眶。

那次生日教会了我，最好的礼物不是包在盒子里的。它们以善意的话语、温暖的拥抱和真心关爱你的人的爱的形式出现。
