Good morning, everyone!

Learning English is a long journey, and I'd like to share some of my experiences.

When I first started learning English, my biggest problems were poor pronunciation and a small vocabulary. I felt embarrassed every time I spoke in class.

To improve, I tried two methods that really helped. First, I started listening to English songs and podcasts every day. This trained my ears and made me more familiar with natural pronunciation. Second, I began keeping a vocabulary notebook. Every time I learned a new word, I wrote it down with an example sentence and reviewed it before bed.

My advice is: don't be afraid of making mistakes. Every mistake is a chance to learn. Also, practise a little every day rather than cramming before exams. Language learning is

like building a house — one brick at a time.

Thank you!

全文翻译

大家早上好！

学英语是一段漫长的旅程，我想分享一些我的经验。

刚开始学英语时，我最大的问题是发音差和词汇量小。每次在课堂上开口说英语我都觉得很尴尬。

为了提高，我尝试了两个真的很有帮助的方法。第一，我开始每天听英文歌和播客。这训练了我的耳朵，让我更熟悉自然的发音。第二，我开始记词汇本。每学一个新词，我就把它和例句一起写下来，睡前复习。

我的建议是：不要害怕犯错。每个错误都是一次学习的机会。还有，每天练一点点比考前临时抱佛脚好得多。语言学习就像盖房子——一次一块砖。

谢谢大家！

困难	My English was poor.	My tongue tripped over every English word like a toddler learning to walk.

建议	Practise every day.	Water a plant once a month and it dies; water it a little every day and it blooms — English works the same way.
