参考范文

I have a pet cat named Mango. She joined our family two months ago, and she has already become my best companion.

Mango is a small orange tabby with bright green eyes and soft, fluffy fur. She loves sleeping in sunny spots and chasing butterflies in the garden. Although she looks lazy during the day, she becomes incredibly playful at night, running around the house like a little furry tornado.

Having a pet has changed my life in many ways. When I feel stressed after a long day of studying, Mango curls up on my lap and purrs softly. That sound is the most calming thing in the world. She has also taught me about responsibility — I feed her, clean her space and take her to the vet regularly.

Pets may not speak our language, but they understand our hearts.

全文翻译

我有一只叫"芒果"的宠物猫。她两个月前加入了我们的家庭，已经成了我最好的伙伴。

芒果是一只小巧的橘色虎斑猫，有着明亮的绿色眼睛和柔软蓬松的毛。她喜欢在有阳光的地方睡觉，也喜欢在花园里追蝴蝶。虽然白天看起来很懒，到了晚上她就变得超级好动，在家里跑来跑去，像一个毛茸茸的小旋风。

养宠物在很多方面改变了我的生活。当我学了一天感到疲惫时，芒果就蜷缩在我腿上，轻轻打着呼噜。那声音是世界上最治愈的东西。她还教会了我责任——我每天喂她、打扫她的空间、定期带她去看兽医。

宠物也许不会说我们的语言，但它们懂得我们的心。
