参考范文

Among the four seasons, autumn is my favourite.

In autumn, the weather is cool and comfortable — neither too hot nor too cold. The leaves turn golden, red and orange, painting the world like a watercolour masterpiece. The air smells of ripe fruits and fallen leaves, and the sky is usually clear and blue.

I love what autumn lets me do. On weekends, I go hiking with my family in the nearby mountains. Walking through a path covered with colourful leaves feels like stepping into a fairy tale. I also enjoy eating seasonal fruits like oranges, persimmons and chestnuts.

Autumn is a season of harvest. It reminds me that hard work in spring and summer always leads to something beautiful. Just as farmers collect their crops, we should look back and appreciate the progress we have made.

That is why autumn holds a special place in my heart.

全文翻译

四季之中，我最喜欢秋天。

秋天天气凉爽舒适——不太热也不太冷。树叶变成金色、红色和橙色，把世界描绘成一幅水彩画杰作。空气中弥漫着成熟水果和落叶的气息，天空通常清澈湛蓝。

我喜欢秋天能做的事情。周末我和家人去附近的山上徒步。走在铺满五彩落叶的小路上，感觉像走进了童话世界。我也喜欢吃应季水果，比如橘子、柿子和栗子。

秋天是收获的季节。它提醒我，春夏的辛勤劳动总会带来美好的成果。就像农民收获庄稼一样，我们也应该回头欣赏自己取得的进步。

这就是秋天在我心中有特殊位置的原因。
