参考范文

Last month, our English club held a speech contest with the theme "The Power of Kindness". I decided to take part, even though public speaking terrified me.

I spent two weeks preparing my speech. I wrote draft after draft, practised in front of the mirror and asked my English teacher for feedback. The night before the contest, I rehearsed ten times until I could deliver the speech without looking at my notes.

On the day of the contest, my heart was pounding as I walked onto the stage. My voice trembled for the first few seconds, but once I made eye contact with a smiling friend in the audience, I relaxed. I spoke clearly, paused at the right moments and ended with a powerful quote. I won second place!

This experience taught me that courage is not the absence of fear — it is choosing to act despite the fear. I'm already looking forward to the next contest.

全文翻译

上个月，我们英语社团举办了一次演讲比赛，主题是"善良的力量"。我决定参加，尽管公开演讲让我害怕。

我花了两周准备演讲稿。我写了一稿又一稿，对着镜子练习，还向英语老师请教。比赛前一晚，我排练了十遍，直到不用看稿子也能完整演讲。

比赛当天，走上台时我心怦怦跳。前几秒我的声音在颤抖，但当我和观众中一位微笑的朋友眼神交流后，我放松了下来。我表达清晰，在恰当的时候停顿，最后以一句有力的名言结尾。我获得了第二名！

这次经历教会了我，勇气不是没有恐惧——而是在恐惧中选择行动。我已经在期待下一次比赛了。

建议	普通表达	升格表达
准备	I practised many times.	I rehearsed until my reflection in the mirror could have given the speech on its own.

感悟	I learned to be brave.	A stage is just a few square metres of floor — but standing on it taught me more about myself than a year of textbooks ever could.
