参考范文

Dear Community Centre,

I am Li Hua, a Grade 9 student. I am writing to apply for the youth volunteer position in our neighbourhood.

I want to join because I believe every young person should contribute to the community they live in. As the saying goes, "A community is only as strong as its members."

If selected, I can help in several ways. First, I am good at organising events, so I could assist with weekend clean-up activities and recycling drives. Second, I enjoy working with children and the elderly, so I could read to kids at the community library or help elderly neighbours with their shopping.

I believe community service builds a sense of belonging and teaches us to care for those around us. It is not just about giving — it is about growing together.

I look forward to your reply. Thank you for considering my application!

Yours sincerely,
Li Hua

全文翻译

尊敬的社区中心，

我是李华，一名初三学生。我写信申请我们社区的青少年志愿者岗位。

我想加入是因为我相信每个年轻人都应该为自己所在的社区做贡献。俗话说："一个社区的力量取决于它的成员。"

如果被选中，我能在几个方面提供帮助。第一，我擅长组织活动，可以协助周末的清洁活动和回收活动。第二，我喜欢与孩子和老人相处，可以在社区图书馆给小朋友读书或帮助老年邻居购物。

我相信社区服务能建立归属感，教会我们关爱身边的人。这不仅仅是付出——更是共同成长。

期待您的回复。感谢考虑我的申请！

您真诚的，
李华

升格建议（3条）

建议	普通表达	升格表达
原因	I want to help the community.	I grew up on these streets, and now it's my turn to give something back to the neighbourhood that shaped me.
能力	I can help clean the park.	Give me a broom, a schedule and a team — I'll make sure every Saturday leaves our park a little cleaner than Friday found it.
看法	Community service is meaningful.	A neighbourhood without volunteers is like a garden without gardeners — it has potential, but it needs caring hands to bloom.
