参考范文

Last Sunday, our school held a "Chinese Culture Experience Day". There were five stations offering different traditional activities: calligraphy, tea ceremony, Chinese knot making, face-mask painting and martial arts.

I chose the tea ceremony station. An experienced teacher showed us how to brew tea in the traditional way — warming the cups, adding the right amount of tea leaves and pouring the water at just the right temperature. As I took my first sip, a feeling of calm spread through me. It was completely different from drinking tea at home.

The teacher told us that making tea is not just about the drink — it is about slowing down, being present and showing respect to your guests. That idea really impressed me.

This experience taught me that traditional culture is not old-fashioned. It carries deep wisdom and beauty that modern life sometimes overlooks.

全文翻译

上周日，我校举办了"中华文化体验日"。有五个站点提供不同的传统活动：书法、茶道、中国结编织、脸谱绘制和武术。

我选择了茶道站。一位经验丰富的老师向我们展示了如何用传统方式泡茶——温杯、放入适量的茶叶、以恰好合适的温度倒水。当我喝第一口时，一种平静的感觉蔓延开来。这和在家喝茶完全不同。

老师告诉我们，泡茶不仅仅是关于饮品——它是关于放慢脚步、活在当下和向客人表达尊重。这个理念真的打动了我。

这次体验教会了我，传统文化并不过时。它蕴含着现代生活有时忽略的深刻智慧和美。
