03-19 中考英语语法填空 练习一

主题：课外补习利弊 (Pros and Cons of After-school Tutoring)

一、题目

阅读下面短文，在空白处填入一个适当的单词，或填入括号中所给单词的正确形式。

After-school tutoring has become a hot topic among parents and students. Some families believe extra classes can help children get (1) _____ (good) grades, while others worry about stress and high costs.

My cousin Lily attends math and English classes every weekend. She says the teachers explain difficult points (2) _____ (slow) than at school, so she feels more confident. Her parents are happy to see her progress, (3) _____ they spend a large part of their income on the fees.

On the other hand, my neighbor Tom stopped going to tutoring last year. He joined the school football team instead and uses his free time (4) _____ (read) novels. His marks dropped a little at first, (5) _____ he learned to manage time by himself. Now he is doing better than before.

Experts suggest that parents should consider each child's needs. Tutoring may be helpful (6) _____ a student falls behind, but it is not the only path to success. Rest and hobbies are also (7) _____ (importance) for healthy growth.

In my opinion, the key is balance. If tutoring makes a student tired and unhappy, it (8) _____ (not be) worth the money. We should ask ourselves whether we are learning (9) _____ real interest or just following others.

Schools and families need to work together (10) _____ students can enjoy learning without feeling trapped by endless classes.

二、答案与解析

1. **答案：better**
   - **考点**：形容词比较级。`get better grades` 取得更好的成绩。
2. **答案：more slowly**
   - **考点**：副词比较级。`than at school` 提示比较级，多音节副词用 `more slowly`。
