04-01 中考英语语法填空 练习二

主题：手账日记 (Bullet Journal)

一、题目

阅读下面短文，在空白处填入一个适当的单词，或填入括号中所给单词的正确形式。

A bullet journal is (1) _____ simple notebook that helps people plan their lives in a creative way. Instead of buying expensive planners, many teenagers enjoy designing their own pages. They use symbols, short lists, and colorful pens (2) _____ (mark) important dates.

My cousin Lily started her first bullet journal last year. She says it has made her (3) _____ (organized) than before. Every evening, she spends ten minutes (4) _____ (write) down what she did and what she will do tomorrow. This habit helps her worry (5) _____ (little) about forgetting homework.

Some students even draw small cartoons beside their tasks. (6) _____ a task is finished, they fill in a tiny circle next to it. The journal is not only a tool (7) _____ also a record of personal growth. When Lily looks back at old pages, she feels proud of how much she (8) _____ (achieve).

If you want to try bullet journaling, you need (9) _____ patience at the beginning. Start with one page a week, and you will find it (10) _____ (real) useful for managing your time.

二、答案与解析

1. **答案：a**
   - **考点**：不定冠词。`simple` 以辅音音素开头，泛指“一本简单的笔记本”，用 `a`。
2. **答案：to mark**
   - **考点**：动词不定式作目的状语。用笔等“为了标注重要日期”，表目的用 `to mark`。
3. **答案：more organized**
   - **考点**：形容词比较级。`than before` 提示比较级，`organized` 为多音节词，用 `more organized`。`make sb. + adj.` 结构。
4. **答案：writing**

- **考点**：非谓语动词。spend time (in) doing sth. 花费时间做某事，用 writing。

5. **答案：less**
   - **考点**：副词比较级。与“之前”隐含对比，担心“更少”，little 的比较级为 less，修饰动词 worry。
6. **答案：When / After / If**
   - **考点**：从属连词。引导时间或条件从句：“当一项任务完成时/在任务完成之后”，用 When 或 After；若理解为“如果完成了就填圈”，也可用 If。
7. **答案：but**
   - **考点**：固定搭配。not only ... but also ... 不仅……而且……。
8. **答案：has achieved**
   - **考点**：现在完成时。回顾过去页面时，强调“已经取得的成就”，主句过去时，从句可用现在完成时表截止现在的结果；或 had achieved 表“过去的过去”。中考常见答案为 has achieved（与 how much 搭配表到现在为止）。
9. **答案：some / a little**
   - **考点**：限定词/代词。patience 不可数，表示“需要一点耐心”，用 some patience 或 a little patience。
10. **答案：really**
    - **考点**：词性转换。修饰形容词 useful，real → really 副词。
