During the cultural week, our art teacher introduced us to traditional tie-dyeing, (1) _____ ancient skill from southwest China. We folded white cloth into shapes and (2) _____ (tie) it tightly with strings before putting it into natural dyes. The patterns looked like clouds or flowers, and each piece was (3) _____ (complete) different from the others.

The teacher explained that tie-dyeing (4) _____ (use) plant colors for centuries. "Every family used to have (5) _____ (they) own special recipe," she said. While the cloth was drying in the yard, we watched the colors become (6) _____ (deep) in the afternoon sun.

I was surprised (7) _____ simple tools could create such rich designs. My classmates and I took photos and posted them online, (8) _____ many netizens praised our work. This hands-on lesson helped me understand (9) _____ our ancestors turned daily life into art. I hope more young people will be interested (10) _____ learning old crafts like this.

二、答案与解析

1. **答案：an**
   - **考点**：冠词。`ancient` 以元音音素开头，`an ancient skill` 泛指一项古老技艺。
2. **答案：tied**
   - **考点**：一般过去时。与前面 `folded` 并列作谓语，`and` 已给出，此处填 `tie` 的过去式 `tied`，表示“绑紧”。
3. **答案：completely**
   - **考点**：词性转换。修饰形容词 `different`，`complete` → `completely` 副词。
4. **答案：has been used**
   - **考点**：现在完成时被动语态。染缬“被使用”植物染料，时间状语 `for centuries` 表示从过去持续到现在的动作，主语 `tie-dyeing` 为单数，用 `has been used`。

5. **答案：their**
    - **考点**：代词。修饰 own special recipe，they → 形容词性物主代词 their，指代 every family。
6. **答案：deeper**
    - **考点**：形容词比较级。在阳光下颜色“变得更深”，暗含与之前对比，deep → deeper；become 后可接形容词比较级。
7. **答案：that**
    - **考点**：连词。be surprised that... 引导宾语从句，说明惊讶的内容。
8. **答案：and**
    - **考点**：并列连词。连接前后两个分句：“我们把照片发到网上”与“许多网友称赞我们的作品”为顺承并列，用 and。
9. **答案：how**
    - **考点**：连接词。understand 后宾语从句，“祖先如何把日常生活变成艺术”，用 how 表方式。
10. **答案：in**
    - **考点**：介词。be interested in doing sth. 对做某事感兴趣。
