04-21 中考英语语法填空 练习一

主题：地球日环保行动 (Earth Day Environmental Action)

一、题目

阅读下面短文，在空白处填入一个适当的单词，或填入括号中所给单词的正确形式。

On Earth Day, our class volunteered to clean the riverbank near our school. We arrived early (1) _____ gloves and rubbish bags, ready to pick up plastic bottles and food packages. The local officer (2) _____ (brief) us on safety rules before we spread out along the path.

Some parents joined the activity (3) _____ they wanted to set a good example for their children. While we were working, a reporter interviewed students (4) _____ (ask) how they felt about protecting nature. "Every small action counts," said Lin Tao, (5) _____ voice sounded confident on camera.

By noon, we (6) _____ (collect) five large bags of waste, and the grass looked much (7) _____ (green) than in the morning. The officer thanked us and hoped similar events (8) _____ (hold) every term. I went home tired (9) _____ proud, knowing that I had done something useful for the planet.

Earth belongs to all of us, (10) _____ we should treat it with respect every day, not only on Earth Day.

二、答案与解析

1. **答案：with**
   - **考点**：介词。`arrive with gloves and bags` 带着手套和垃圾袋到达，表伴随。
2. **答案：briefed**
   - **考点**：一般过去时。`brief sb. on sth.` 向某人简要说明，叙述过去活动，用过去式 `briefed`。
3. **答案：because/as/since**
   - **考点**：从属连词。引导原因状语从句，说明家长参加的原因。
4. **答案：asking**

- **考点**：非谓语动词。现在分词作伴随状语，记者边采访边提问，reporter 与 ask 为主动关系。

5. **答案：whose**
   - **考点**：关系代词。非限制性定语从句修饰 Lin Tao，在从句中作定语修饰 voice，用 whose。
6. **答案：had collected**
   - **考点**：过去完成时。By noon 到中午为止已收集完，动作在过去某一时间点前完成，用 had collected。
7. **答案：greener**
   - **考点**：形容词比较级。句中有 than，草地比早晨更绿，green → greener。
8. **答案：would be held**
   - **考点**：过去将来时被动语态。hoped 后宾语从句中，“希望类似活动每学期被举办”，从过去看将来且为被动，用 would be held。
9. **答案：but**
   - **考点**：并列连词。tired but proud 累却自豪，表转折。
10. **答案：so**
    - **考点**：并列连词。前句“地球属于我们大家”与后句“应每天尊重它”为因果关系，用 so 引出结果。
