05–16 中考英语语法填空 练习一

主题：世界蜜蜂日 (World Bee Day)

一、题目

阅读下面短文，在空白处填入一个适当的单词，或填入括号中所给单词的正确形式。

World Bee Day falls on May 20. It reminds us ***1*** bees are small but very important for ***2*** world around us. Bees help plants ***3*** (produce) fruit and seeds while they collect nectar from flowers in fields and parks. Without bees, many crops ***4*** (become) less productive, and farmers would face serious problems during harvest time. In recent years, some bee populations ***5*** (decline) because of pollution, climate change, and loss of natural habitats. ***6*** good news is that scientists and students are working together to protect bees and build safer environments. We can plant more flowers in ***7*** garden and avoid ***8*** (use) harmful chemicals near plants. Schools also organize talks and poster projects so that young people ***9*** (understand) why bees matter in daily life. If everyone ***10*** (take) small actions in the community, we can make a brighter future for both humans and bees.

二、答案与解析

1. **答案：that**
   - **考点**：连词。引导宾语从句，作 reminds 的宾语，从句结构完整，用 that。
2. **答案：the**
   - **考点**：冠词。world 后有介词短语 around us 限定，表特指“我们周围的世界”，用定冠词 the。
3. **答案：(to) produce**
   - **考点**：非谓语动词。help 的结构为 help sb./sth. (to) do sth.，表示“帮助……产生果实与种子”，用不定式 to produce 或省略 to 的动词原形 produce；中考常写 produce。
4. **答案：would become**
   - **考点**：动词时态。Without bees 引出与事实相反的假设，主句用 would + 动词原形，表示“许多作物的产量将会降低”。
5. **答案：have declined**

- **考点**：动词时态。In recent years 常与现在完成时连用，表示过去发生并持续影响现在；主语 populations 为复数，用 have declined。

6. **答案：The**
   - **考点**：冠词。特指“那条好消息”，即后文科学家与学生合作保护蜜蜂，用定冠词 The，句首大写。
7. **答案：a**
   - **考点**：冠词。泛指“在一个花园里种花”，garden 可数，用不定冠词 a。
8. **答案：using**
   - **考点**：非谓语动词。avoid 后接动名词作宾语，表示“避免做某事”，故用 using。
9. **答案：can understand**
   - **考点**：动词时态与情态动词。so that 引导目的状语从句，表示“以便年轻人能够理解蜜蜂的重要性”，用情态动词 can 表“能够”。
10. **答案：takes**
    - **考点**：动词时态与主谓一致。If 引导的条件状语从句中，用一般现在时表将来；主语 everyone 为单数概念，谓语动词用第三人称单数 takes。
