中考英语完形填空：学做手工书签

完形填空原文

Reading has always been one of my favorite hobbies. To make reading even *1* enjoyable, I decided to create some handmade bookmarks for myself and my friends.

I prepared watercolor paper, colored pens, and thin ribbons. First, I cut the paper *2* long, narrow strips. Each strip was about fifteen centimeters long and four centimeters *3*.

Then I drew different pictures on each bookmark. One had a sleeping cat, *4* had a little boat sailing on the sea. I painted them *5* so that the colors looked bright and lively. On the back of each bookmark, I wrote an encouraging sentence *6* "Keep reading, keep growing."

After the paint dried, I punched a small hole at the top and tied a ribbon *7* it. The bookmarks looked quite professional. I was *8* to see the final results.

The next day, I gave one to each of my close friends. They were all *9* and said they would use them every day. Making things with my own hands always gives me a strong sense of *10*.
