完形填空原文

We were given colored tissue paper and green wire. The teacher showed us the steps *3* the screen. First, we stacked several sheets of paper and folded them like a fan. This was *4* step of all.

Next, we tied the wire tightly around the *5*. Then came the tricky part — pulling each layer of paper apart *6*. Some students pulled too hard and tore the paper. I took my time and was *7* not to damage mine.

After about twenty minutes, a beautiful flower appeared in my *8*. It looked just like a real carnation! I made three more in pink, yellow, and purple. We put all the flowers into a vase *9* stood on the teacher's desk.

When the head teacher walked in, she stopped and smiled. "What a *10* classroom!" she said. We all felt proud of our teamwork.
